Professor the Hon
CHAN Wing-kwong
陳永光教授

Professor the Hon Chan Wing-kwong is an accomplished Chinese medicine practitioner, a Legislative Council Member of the Hong Kong Special Administrative Region (HKSAR) as well as a Distinguished Alumni Award recipient (2022) of Hong Kong Baptist University (HKBU), whose lifelong dedication to advancing Chinese medicine, supporting institutional development in higher education, and serving society, has brought great distinction to his alma mater as well as transformative impact on society at large.

Born into a family of successive generations of Chinese medicine practitioners, Professor Chan carries forward an extraordinary legacy and entered the same profession himself. Through his decades of medical practice, he has not only cultivated profound experience and expertise but also a strong sense of Chinese cultural confidence. It was built upon the belief that Chinese medicine reflects both the cultural tradition and the wisdom of Chinese people and civilisation. For him, promoting Chinese medicine is more than a passion but an expression of his love towards the Chinese culture and the Motherland.

The connection between Professor Chan and HKBU has been close and long-standing. He received a Bachelor's and a Master's degree in Chinese Medicine from HKBU, before completing a Doctor of Medicine at the Guangzhou University of Chinese Medicine in the Mainland. When he first became a student of HKBU, he was already a practitioner with 15 years of clinical experience. Nevertheless, he stayed humble and pursued his study relentlessly. In his view, HKBU was the place where he was able to reinforce his medical knowledge and skills while embracing integrative approaches that bridge traditional and modern sciences. His university years shaped his vision for Chinese medicine as a dynamic discipline that is grounded in its ancient roots while evolving to meet the contemporary needs in society.

From Professor Chan's perspective, HKBU's on-going success lies in its consistent and dedicated commitment to pursuing strategic goals and objectives — just as he has endeavoured to achieve in his own service to the University. He has helped foster HKBU's strategic direction and development by serving as a Council Member of the University from 2016 to 2021, a member of the Council's Human Resources Committee from 2016 to 2019 and the Committee's Deputy Chairman from 2020 to 2021, and now as an Honorary Court Member since 2023.

His guidance has been particularly invaluable to HKBU's School of Chinese Medicine and The Chinese Medicine Hospital of Hong Kong (CMHHK) operated by the University, where he currently serves as Chairman of the Advisory Committee and a member of the Board of Directors respectively. He firmly believes that the School and CMHHK together will become a global centre for research, teaching and clinical innovation, emphasising both the technical dimensions and the philosophical foundation of Chinese medicine.

Over the years, Professor Chan has established himself as a leader in the field of Chinese medicine and an advocate for its continuous advancement. He has held key positions in numerous organisations and bodies, including the President of Hong Kong Registered Chinese Medicine Practitioners Association, as well as the Vice President of Supervision Board of the World Federation of Chinese Medicine Societies. He is also an Adjunct Professor at the School of Chinese Medicine of The Chinese University of Hong Kong and a Visiting Professor at the Guangzhou University of Chinese Medicine, where he has

nurtured the younger generation. In addition, he played a pivotal role in establishing Hong Kong's regulatory regime for Chinese medicine through his involvement as a member of The Chinese Medicine Council of Hong Kong, and as a member of the Chinese Medicine Development Committee of the Health Bureau and the Chairman of its Chinese Medicine Practice Subcommittee, enhancing the professional standards of Chinese medicine practice and thereby safeguarding public health.

He also contributed to Hong Kong's successful bid to host the prestigious 18th World Congress of Chinese Medicine in 2021. In recognition of his efforts to the education, regulation and development of Chinese medicine, he was awarded the Chief Executive's Commendation for Community Service by the HKSAR Government in 2019 and the Distinguished Alumni Award by HKBU in 2022, among many accolades.

In the public sector, Professor Chan has also offered his service with unwavering devotion. Since his election to the Legislative Council in 2022 under the Election Committee Constituency, he has worked tirelessly and extensively to enhance different critical areas of healthcare in Hong Kong. Notably, he is the Chairman of the Bills Committee on The Chinese Medicine Hospital of Hong Kong Bill. Beyond his legislative duties, he has maintained active communication and interaction with community members, serving as a vital channel for citizens to express their views in the policy-making process. His remarkable efforts to bridge the Government and the public have made him both a well-respected legislator and a trusted community representative. Undoubtedly, he has demonstrated exceptional leadership and driven significant changes towards building a brighter future for Hong Kong.

The inspiration for Professor Chan's illustrious career and life comes from a quotation in the classic Chinese book of *Yijing*: "Just as heaven keeps moving forward vigorously, a man of virtue should strive continuously to strengthen himself". The never-ending pursuit for excellence and self-improvement forms the basis of his philosophy. He encourages everyone, especially young people, to constantly attempt to learn and perfect themselves in every aspect — not only in knowledge and wisdom, but also in character and moral integrity. Furthermore, he advises all Chinese medicine students to master the art of medicine while firmly upholding integrity and righteousness, for these qualities are the bedrock of true professionalism in the Chinese medical field.

It is with deep admiration and pleasure that HKBU confers upon Professor Chan an Honorary University Fellowship, the first in the field of Chinese medicine, in recognition of his significant contributions to the profession, his impressive leadership in both the educational and public arenas, and the progressive impact he has made for Hong Kong. He embodies the highest standards of professionalism and spirit of service that echo the core values and ideals of HKBU. In the years to come, he will remain a treasured member of the HKBU family and a role model for all.

陳永光教授是成就卓越的中醫藥專家，亦為現任香港特別行政區立法會議員及香港浸會大學（浸大）傑出校友獎得獎人（2022）。他一直心繫杏林，矢志推動中醫藥發展，並在高等教育與社會服務方面建樹良多，為母校增光之餘，更為社會帶來革新變化。

出身於中醫世家，陳教授自幼耳濡目染，秉承數代以來的家學淵源，踏上懸壺濟世之路。在數十載行醫生涯中，他不但積累了豐富的臨床經驗和精湛的醫術，更建立起對中華文化的堅定自信。這種信念源於中醫藥蘊含着中華民族和文化的悠久傳統與智慧。對他而言，弘揚中醫藥既是一生志業，也是熱愛中華文化與家國情懷的體現。

陳教授與浸大結緣已久，淵源深厚。他先後於浸大修畢中醫學學士和碩士學位，後赴廣州中醫藥大學深造，取得醫學博士學位。當年入讀浸大時，他已是一位擁有 15 載臨床經驗的中醫師，卻仍虛懷若谷，孜孜不倦學習。他視浸大為溫故知新、鞏固中醫藥知識與技術的地方，也是一座能夠融會貫通、連接傳統與現代科學的橋樑。大學的歲月，塑造了他對中醫藥發展的宏圖願景，讓這個學科充滿活力，既立足於千年文化智慧，又不斷與時俱進，回應社會所需。

在陳教授眼中，浸大的成功之道，在於其貫徹始終地致力實踐策略發展目標——正如他在浸大服務時，亦同樣盡心竭力達成目標一樣。陳教授於 2016 至 2021 年間曾任浸大校董會成員，並於 2016 至 2019 年擔任校董會轄下人力資源委員會成員，更於 2020 至 2021 年間出任副主席。自 2023 年起，陳教授獲委任為諮議會榮譽委員，協助推動大學的策略方向及發展。

他現為浸大中醫藥學院諮詢委員會主席，以及由浸大營運的香港中醫醫院董事局成員，致力出謀獻策，提供寶貴意見。他深信，學院及醫院將成為一個匯聚中醫藥研究、教學及臨床創新的國際性樞紐，宏揚中醫藥的醫術與理念。

多年來，作為業界翹楚，陳教授持續積極推動中醫藥制度建設，在多個組織和團體歷任要職，包括香港註冊中醫學會會長，以及世界中醫藥學會聯合會監事會副主席。他亦是香港中文大學中醫學院客座教授及廣州中醫藥大學客座教授，扶掖後進，薪火相傳。此外，他亦獲委任為香港中醫藥管理委員會成員，醫務衛生局中醫中藥發展委員會成員及其轄下的中醫藥小組委員會主席，在實施中藥規管制度、促進中醫藥發展方面擔當重要的角色，提升中醫執業的專業水平，守護公眾健康。他更促成了香港於 2021 年成功申辦第 18 屆世界中醫藥大會。他的成就屢獲嘉許，於 2019 年獲香港特別行政區政府頒授行政長官社區服務獎狀，並於 2022 年獲浸大頒授傑出校友獎，表彰他在中醫藥教育、專業規管及發展方面的卓越貢獻。

在公共領域方面，陳教授亦不遺餘力服務社群。自 2022 年當選立法會選舉委員會界別議員，他全情投入推動在多個重點範疇上優化香港的醫療體系，包括擔任《香港中醫醫院條例草案》委員會主席的職務。議會以外，他積極與社區人士溝通互動，將市民的聲音廣納於政策制訂過程中。他在充當官民之間橋樑方面的努力，讓他成為備受尊敬的議員以及深獲信賴的社區代表。他非凡的領導力，無疑為社會帶來了正面改變，並引領香港邁向更好未來。

「天行健，君子以自強不息。」這句《易經》名句，是成就陳教授輝煌的事業與人生的座右銘。他以堅毅不懈、力臻至善為人生哲學，並以此勉勵他人，特別是年青一代從追求知識、累積智慧，以至品格涵養、道德操守等各方面均要以日新又新的態度，力求自我完善。他亦勉勵矢志加入中醫行業的同學秉持「大醫精誠」原則，醫術精湛之餘，也要以德為本、以仁為懷，展現真正的專業中醫精神。

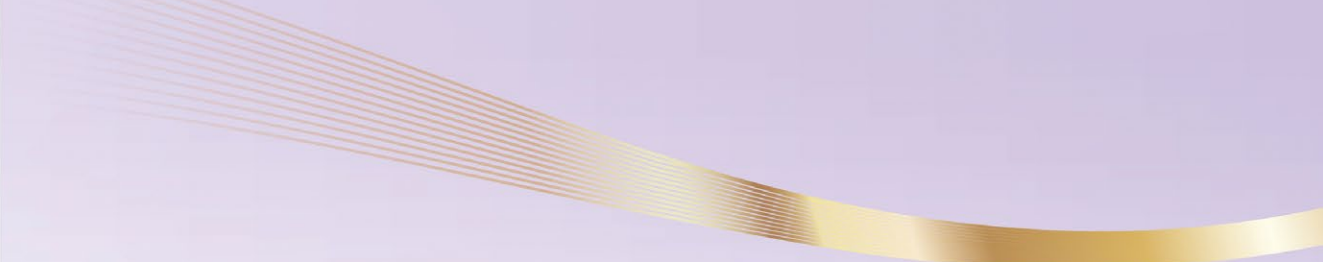

為表彰其對中醫藥專業的卓越貢獻、在教育和其他社會範疇的出色領導，以及為香港所發揮的積極影響，浸大欣然向陳教授頒授榮譽大學院士銜。作為中醫界別首位獲此殊榮者，陳教授可謂實至名歸。他是專業水平和服務精神的最高典範，這與浸大的核心價值和理念可謂一脈相承。作為浸大備受尊崇的成員，陳教授將成為我們學習的楷模。

A CITATION FOR
HONORARY UNIVERSITY FELLOW

榮譽大學院士贊辭

Mr CHUI Wing-on
徐永安先生

With a highly illustrious career in the legal profession and an esteemed reputation in public service spanning over three decades, Mr Chui Wing-on has established himself as a successful lawyer and a committed contributor to Hong Kong's education communities. He has not only dedicated to shaping the legal landscape of Hong Kong and the Mainland, but has also left an indelible mark on education development.

Mr Chui's story is one of resilience, diligence and perseverance. Growing up in a grassroot family, he gradually climbed to the top through hard work, graduating with a Bachelor of Science from The University of Hong Kong before becoming a teacher in a secondary school. He soon found an interest in law and discovered his strengths in analysis and problem-solving — attributes that made him especially suited for a legal career. He subsequently undertook a part-time legal education despite the demands of his full-time job, attending classes and studying after work, and eventually achieving top results in the Common Professional Examination. With a thirst for knowledge and a desire to enhance his professional skills, he also obtained a Bachelor of Laws from the Peking University.

After qualifying to practise law in both Hong Kong as well as England and Wales, Mr Chui has built a career with specialisation in corporate finance, capital markets, and regulatory compliance. He currently serves as a legal consultant at Gallant, a well-established and notable Hong Kong law firm, after serving as a partner for a number of years at Bird & Bird, an international law firm, and at King & Wood Mallesons, one of the top-tier international law firms. Alongside his job, he has served as Chairman of the Appeal Tribunal Panel (Buildings) under the Development Bureau of the Government of the Hong Kong Special Administrative Region, Member of the Hong Kong Trade Development Council's Professional Services Advisory Committee, and Honorary Legal Adviser for the Belt and Road General Chamber of Commerce, among many other professional groups and associations, sparing no effort in serving the community.

Mr Chui has always been a bridge between Hong Kong and the Mainland, contributing to the evolution of the rule of law and legal systems in both jurisdictions. With a foresight for China's rapid economic and legal developments, he was among the few pioneering legal practitioners who actively worked on Mainland-related projects well before Hong Kong's return to the Motherland. His area of focus covers cross-border transactions, assisting Chinese enterprises in listing on the Hong Kong Stock Exchange and facilitating multi-national mergers and acquisitions. He was also involved in advising and acting for overseas investors in China as well as Chinese clients investing abroad. In the sphere of public service, he has been appointed as a China-Appointed Attesting Officer by the Ministry of Justice of the People's Republic of China, and from 2017 to 2021, a Member of the Chinese People's Political Consultative Committee, Huangpu district, Shanghai. Mr Chui takes great pride in witnessing China's transformation, in which he has played a part by using his legal expertise to educate local counterparts on the legal side throughout his years of legal practice in the Mainland.

Having spent a long and celebrated career as a lawyer, Mr Chui dedicated himself to social good. Education is a particular area that he finds extremely meaningful. His early experience as a teacher has allowed him to understand the transformative power of learning and the significance it bears on future generations. Not only has he been involved with secondary

schools where he serves as an independent council member, he has also served as Member of the Hong Kong Baptist University (HKBU) Council from 2019 to 2024. His service to HKBU was marked by exemplary leadership, particularly as Chairman of the Audit Committee in 2024, where he oversaw the improvement of risk management framework and internal control systems of the University. As Chairman of the Task Force on Review of the *Hong Kong Baptist University Ordinance*, he has made recommendations to the Council to promote good governance. He was also a member of the Finance Committee, Honorary Degrees Committee, and the Standing Committee in the HKBU Council.

During his tenure, he was delighted to see the University achieve outstanding milestones such as its successful bid for the operation service deed of Hong Kong's first Chinese medicine hospital. Looking ahead, Mr Chui envisions HKBU as one of the world's leading universities that attracts global top talent — a goal that can be reached through the concerted efforts of HKBU's teaching and research, management and administrative staff. He firmly believes that a university should not serve as a "skill factory". Instead, it should support young people in their personal growth, helping them achieve their life goals. This aligns with HKBU's core mission of providing whole-person education to students.

Mr Chui's life journey has been guided and shaped by his motto: "To persevere with consistency and to quest for excellence". These words transcend mere notions; they embody a practical guide that has propelled him from his humble beginnings to the pinnacle of professional success. Determined to live a purposeful and meaningful life, he lives by five values inspired by Pastor Rick Warren's book *The Purpose Driven Life*: integrity, humility, dependability, prioritisation, and generosity. These are not abstract virtues but principles that can be practised daily, and he hopes to share this philosophy with everyone, especially the younger generation.

The University takes great pleasure in conferring an Honorary University Fellowship upon Mr Chui Wing-on, in recognition of his enduring contributions to law, education and society in both Hong Kong and the Mainland. His remarkable journey as a notable legal professional, steadfast commitment to quality governance in education, and inspiring wisdom have uplifted countless individuals, institutions, and communities, leaving a lasting legacy for years to come.

在法律界卓然有成、公職服務譽滿 30 載的徐永安先生，既是一位成功的律師，也為香港教育界貢獻良多。他不僅致力為香港與內地的法律專業籌謀獻策，更在教育發展方面留下深刻的印記。

徐先生的人生歷程，是一個堅毅、勤奮與自強不息的故事。他出身自基層家庭，憑着不懈努力逐步攀越高峰。在香港大學取得理學士學位後，他於一所中學執起教鞭，其後對法律產生興趣。當發現自己在分析與解難方面別具天賦，有利於從事法律工作時，他決意轉換跑道，在全職工作之餘攻讀法律，更在法律專業共同試取得優異成績。求知若渴的他，其後又取得北京大學法學學士學位，進一步豐富專業知識。

在取得香港及英格蘭與威爾斯執業資格後，徐先生專注於企業融資、資本市場、合規及監管的法律領域。他曾於國際律師行鴻鵠律師事務所，及一家國際一流律師事務所金杜律師事務所出任合夥人多年，現為本地聲譽卓著的何耀棣律師事務所的法律顧問。在工作以外，他分別擔任香港特別行政區政府發展局旗下的上訴審裁團（建築物）主席、香港貿易發展局專業服務諮詢委員會成員、一帶一路總商會義務法律顧問等，服務社會不遺餘力。

徐先生一直積極參與香港與內地的法治和法制建設，肩負起兩地之間的橋樑角色。早在香港回歸祖國前，高瞻遠矚的他已預見中國經濟和法制的迅速發展，遂成為少數投身內地相關項目的法律界先驅。他專注於跨境交易、協助內地企業赴香港交易所上市、促進跨國併購等範疇，同時為外資進入中國、及中資到海外投資提供法律顧問和代理服務。在公共服務領域上，他不但獲中華人民共和國司法部委任為中國委托公証人，更於 2017 至 2021 年間擔任上海市黃浦區政協委員。徐先生見證了中國的轉變，並善用其法律專業知識，多年來在內地處理項目時教導當地同業了解法律事務，從而為祖國發展出一分力，令他深感自豪。

在法律界深耕多年、事業成功的徐先生不忘公益。他早年自身的教學經歷，讓他深深明白到教育改變命運的力量，對年青人影響尤深，故此他認為教育事務別具意義。除擔任中學獨立校董外，他於 2019 至 2024 年間出任香港浸會大學（浸大）校董會成員，展現出卓越的領導才能。2024 年，他擔任審計委員會主席，領導優化大學風險管理機制與內部監管體系的工作；在出任「審視《香港浸會大學條例》專責小組」主席期間，他向校董會提出多項建議，以提升大學的良好管治。他亦出任校董會轄下的財務委員會、榮譽學位委員會及常務委員會成員。

在擔任浸大校董期間，徐先生欣然見證着大學實現多個重要里程碑，包括成功取得香港首間中醫醫院的營運服務契約。他期望憑藉教研、管理與行政團隊同心協力，浸大將躋身世界一流大學之列，吸引全球優秀人才。他深信大學不應只是一座「技能工廠」，而是應該扶掖青年成長，達成人生目標。這理念正與浸大推行全人教育的使命不謀而合。

「持之以恆，追求卓越」是徐先生終身奉行的座右銘，也是推動着他身體力行，從平凡背景開始逐步在專業道路上取得成功。他立志要活出有理想、有意義的人生，信念源自於華理克牧師《標竿人生》一書所闡述的五個價值觀——正直、謙卑、可靠、權分輕重和慷慨大方。這些並非抽象的概念，而是可以每天付諸實行的原則。他盼望能夠將這份人生哲學與每個人、特別是年輕人分享。

浸大頒授榮譽大學院士銜予徐永安先生，以表彰他長久以來對香港與內地法律、教育及社會的貢獻。他在法律界的傑出成就，對教育管治追求卓越，其智慧啓迪人心，並將一直惠澤無數個人、機構與社群。

A CITATION FOR
HONORARY UNIVERSITY FELLOW

榮譽大學院士贊辭

Ms SO Ching
蘇晴女士

Ms So Ching is a veteran architect whose work has contributed to the shaping of Hong Kong's urban landscape while creating platforms for social progress and human connection. Over three decades of practice, her leadership in both architecture and public service has demonstrated how professional excellence, when combined with civic responsibility and intellectual curiosity, can create lasting societal impact.

Ms So's stellar academic achievements, including a Bachelor of Arts (Honours) in Architectural Studies and a Bachelor of Architecture with Distinction from The University of Hong Kong, laid the foundation for what would become a distinguished career. Her progression to become a registered architect in Hong Kong demonstrated her talent as well as professional competence and rigour that would come to define her architectural practice. In 2014, she was conferred the Fellowship by The Hong Kong Institute of Architects, a recognition granted for those who have made exceptional contributions to the profession.

As Executive Director of Wong Tung & Partners Limited, Ms So has led numerous landmark projects that have reshaped urban environments and human experiences across the region. From the expansion project of the Hong Kong Science Park to the MGM Cotai in Macau, EAST Hong Kong, and Transitional Housing Project at Pok Oi Kong Ha Wai Village, her portfolio showcases her exceptional ability to execute and deliver large-scale commercial, industrial and residential projects that balance aesthetics with functionality and sustainability. Of all her work, she considers the Cyberport project particularly challenging yet rewarding, and it has reinforced her understanding of international collaboration in architectural practice. This has inspired and informed her approach to work — one that focuses on fostering inclusive teamwork and a collective spirit where each member's strengths and perspectives are recognised, demonstrated and respected.

Beyond her practice, Ms So has significantly advanced her profession through various leadership roles. Her tenure as Council Member of The Hong Kong Institute of Architects from 2017 to 2020, and a member of the UNESCO International Union of Architects Education Commission from 2018 to 2021, among others, have allowed her to shape architectural education and policy at both local and international levels. Currently serving as Deputy Chair of The Hong Kong Institute of Architects' Board of Education Affairs, she plays a pivotal role in elevating professional standards and quality. This commitment to excellence has been validated through her appointment as Member of the Architects Registration Board and Chair of the Board's Education and Accreditation Committee since 2020, where she helps maintain robust governance within the profession and ensure the standards of architectural education in Hong Kong.

What distinguishes Ms So from the rest is her strong commitment to public service. She has held positions such as Member of The Hong Kong Housing Authority, the Governing Committee of the Beat Drugs Fund Association, the Advisory Committee on Admission of Quality Migrants and Professionals and the Steering Committee of Social Housing under The Hong Kong Council of Social Service. She currently sits on the Board of Directors of the Nano and Advanced Materials Institute. These commitments reflect her on-going dedication to addressing complex social challenges and improving community well-being. To Ms So, public service is not simply an obligation but a chance to create meaningful impact while deepening her understanding of community needs. Her appointment as

Justice of the Peace by the HKSAR Government in 2022 serves as formal recognition of her notable contributions to society.

Hong Kong Baptist University (HKBU) has been privileged to draw upon Ms So's wisdom and expertise during her years of service as a Council Member from 2019 to 2024. Her leadership roles across key committees, including Deputy Chairman of the Campus Development and Facilities Management Committee from 2023 to 2024 and Chairman of the Sub-committee on Ho Sin Hang Campus Redevelopment Project in 2024, as well as Member of the Sub-committee on Jockey Club Campus of Creativity Project and Member of the Audit Committee from 2022 to 2024, have left a far-reaching impact on the University's physical and academic landscape. Regarding HKBU's approach to teaching and learning, Ms So has always been impressed by the University's distinctive transdisciplinary education, noting how the University has effectively bridged its unique strengths in liberal arts with science and technology, empowering students to tackle contemporary challenges. She particularly admires HKBU's diverse community and its commitment to supporting first-generation university students, seeing this as a fulfilment of HKBU's mission to nurture talents regardless of their background.

Colleagues who have worked alongside Ms So would invariably remark on her infectious enthusiasm and positivity, which she attributes to a simple source: finding joy in her endeavours. This outlook has sustained her energy and creativity throughout her life and career. Her characteristic blend of delight in discovery and intellectual curiosity has made her not just an outstanding architect, but also a mentor who constantly inspires. The counsel she offers students and young professionals mirrors the lessons from her own journey: the tenacity to uphold one's vision, and the perseverance that comes from a sense of purposeful dedication. This philosophy is best captured in one of the better-known biblical verses about pressing on towards one's goal (*Philippians 3:14*).

In conferring this Honorary University Fellowship to Ms So, HKBU recognises her as an invaluable member whose impact transcends her field to enrich the broader society. She is an embodiment of social responsibility, technical expertise and humanistic values, enhancing communities through architecture and public service. Her influence will undoubtedly inspire future generations of architects, scholars and students to realise that excellence in any field can ultimately serve the greater good.

在負責的工作以外，蘇女士肩負多個領導角色，推動行業發展。她於 2017 至 2020 年間擔任香港建築師學會理事，並於 2018 至 2021 年間出任聯合國教科文組織——國際建築師協會建築教育委員會成員，連同其他職務，讓她在香港與國際層面優化建築教育和政策。她現為香港建築師學會轄下的教育事務部副主席，在專業標準和質素的評核擔當關鍵角色。蘇女士自 2020 年起出任建築師註冊管理局的董事會成員以及該局的教育及評審資格委員會主席，反映她致力追求卓越，維護行業的穩健管治，並確保香港建築專業教育的質素。

蘇女士的出眾之處在於她堅定地投入公共服務。她曾於香港房屋委員會、禁毒基金會管理委員會、輸入優秀人才及專才諮詢委員會、香港社會服務聯會社會房屋督導委員會擔任委員，現為納米及先進材料研發院的董事局成員。這些職務無不展現她一直希望回應複雜的社會挑戰、改善民生的熱忱。於她而言，公共服務不僅是一份責任，更是創造正面影響、深入了解社會需要的機會。在 2022 年，香港特別行政區政府委任蘇女士為太平紳士，以表揚她對社會的傑出貢獻。

蘇女士於 2019 至 2024 年擔任香港浸會大學（浸大）校董會成員，憑著其智慧與專長為大學出謀獻策。她領導校董會轄下多個委員會，包括於 2023 至 2024 年擔任校園拓展及設施管理委員會副主席，及於 2024 年擔任善衡校園重建工程委員會主席；2022 至 2024 年出任賽馬會創意校園工程委員會成員，及審計委員會成員，為大學的校園與學術發展厥功甚偉。蘇女士特別推崇浸大的跨學科教育，能夠把其獨特的博雅教育優勢與科技結合，裝備學生應對現今的挑戰。她尤其欣賞浸大的多元化社群，以及大學對支援第一代大學生的承擔，印證了浸大實踐培育不同背景人才的使命。

曾與蘇女士共事的人無不受其活力和積極態度所感染。她將這種特質歸因於她能夠在工作時找到樂趣，讓她在人生和職場中保持活力與創意。她對於發現新事物和學問的好奇心，使她不僅成為傑出的建築師，還是一名啟迪人心的導師。她以自身的人生經歷，鼓勵學生和年青專才要抱持願景，並懷着信念，堅定地向目標進發，如同聖經《腓立比書》3 章 14 節所載：「向着標竿直跑。」

浸大向蘇女士頒授榮譽大學院士銜，表揚她為建築業界以至整體社會發揮積極影響。作為備受敬重的浸大成員，她展現了社會責任、專業知識和人文價值，透過建築專業和公共服務造福社群。新世代的建築師、學者與學生無疑都會受到蘇女士的啟發和感染，在各行各業中力臻卓越，共創更美好的未來。

A CITATION FOR
HONORARY UNIVERSITY FELLOW

榮譽大學院士贊辭

Ms HO Yuen-kei
何宛淇女士

In this ever-changing world, one person shines as a radiant testament to the power of human potential to turn barriers into bridges, connecting people and uniting them into a positive force for a better future. She is a champion who has won two Paralympic gold medals, a proud HKBU alumna, and an empathetic charity founder — one who defies physical barriers and exceeds boundaries to ignite meaningful changes. Her journey, marked by athletic feats and transformative social impact, has re-defined what is possible for Hong Kong's disabled community. Through her resilience, courage and compassion, she has illuminated an empowering path forward for all who dare to dream beyond limitations. She is Ms Ho Yuen-kei.

Since her childhood, Ms Ho has lived with spinal muscular atrophy, a condition that confines her mobility and requires her to be dependent on a wheelchair. Yet, despite these physical constraints, she found her niche in her chosen arena — boccia, a sport that demands technical precision, strategic thinking, and mental fortitude. In 2008, she was recruited into the Boccia Team of Hong Kong, China, at a young age, and has since constantly re-written records and gone beyond her limits. In 2021, she ascended to the no. 1 position in the Individual BC3 classification in the World Boccia Rankings. Her series of achievements over the years include multiple medals at the Asian Para Games, World Boccia Cup events, and the World Boccia Challenger. The crowning moment of her athletic career came at the Paris 2024 Paralympic Games, where she clinched two gold medals. Her natural talent, indomitable strength, and mastery of the sports through years of hard work and sacrifice have made her one of Hong Kong's most beloved sports figures and a globally renowned boccia player. She was also awarded the Bronze Bauhinia Star by the Government of the Hong Kong Special Administrative Region in July this year.

Nonetheless, to view Ms Ho simply through the lens of her athletic achievements and medal collection would be to miss the depth and extent of her impact. She has never ceased to inspire impactful social transformations. The Chief Executive's Commendation for Community Service she received in 2019 acknowledges her efforts in serving Hong Kong society. Recognised as one of the Ten Outstanding Young Persons by the Junior Chamber International Hong Kong, China in 2023, she has become a leading young advocate for social inclusion.

One of Ms Ho's most recent contributions has been the establishment of the charity "Love Inclusion Charity Association" (Love Inclusion). Hand in hand with her co-founder and husband Mr Jet Lee, Ms Ho is dedicated to promoting inclusion, diversity, and equal opportunities through this non-profit entity. Her aim is to bring about social progress through creating a space and a platform where all individuals, regardless of physical ability, can engage in dialogues to foster mutual understanding, and work together for the greater benefit of society overall.

To make this vision come true, Love Inclusion has launched a variety of programmes and initiatives to provide an avenue for volunteers and interested citizens to equip themselves with the necessary skills. Love Inclusion reflects Ms Ho's aspiration for more people in Hong Kong to offer themselves in the service of others.

The foundation of Ms Ho's life philosophy is that every individual, irrespective of their ability or background, has a unique role to play and the capacity as well as responsibility to

contribute to society. This took root from an early age under the influence and guidance of her mother, for whom she holds endless gratitude, admiration and love. Moving forward, Ms Ho will strive to address and tackle the challenges facing Hong Kong's disabled community, with a focus on advocating for greater investment in adaptive infrastructure and policy reforms that can facilitate genuine social inclusion and harmony.

One of the formative chapters of Ms Ho's extraordinary journey can be traced back to her time at HKBU, where she completed her Bachelor of Social Sciences in China Studies. As a student here, she found not just a sophisticated education but a nurturing environment that values whole-person development. HKBU's commitment to supporting students with special educational needs was crucial to her enjoyment of university life, but equally important were the friendship and support from caring professors and classmates who became her lifelong friends. Her on-going partnership with HKBU reflects this close connection. From 2017 to 2018, she served on the Committee on Students with Special Educational Needs. After graduation, she has remained an active member of the University community, often returning as a speaker and mentor. During events where HKBU celebrated the remarkable achievements of student and alumni athletes at the Hangzhou Asian Games and Asian Para Games, as well as the Paris 2024 Olympic Games and Paralympic Games, she was invited to share her personal journey, which touched the hearts of participants time after time.

In conferring this Honorary University Fellowship, HKBU recognises not only a distinguished alumna with brilliant achievements in the sports field globally, but a champion of social progress whose impact has been felt by so many Hongkongers. Ms Ho Yuen-kei has proven that limitations exist only to be overcome, that a human being's potential knows no bound, that challenges are merely opportunities in disguise, and that the spirit of service is the most precious driving force in society.

在這個瞬息萬變的世界裏，有一位鬥士不斷發光發亮，引證人類潛能可以將隔閡化作人與人之間連結的橋樑，凝聚人心邁向更美好的未來。她既是殘疾人奧運會（殘奧會）兩面金牌得主，也是香港浸會大學（浸大）的卓越校友、心懷大愛的慈善機構創辦人，能夠跨越身體局限、突破制肘，創造改變。她人生路上的體育成就與社會貢獻，為香港殘疾人士締造了各種可能性。憑藉其堅毅、勇氣與愛心，她為所有敢於挑戰的追夢者，照亮了一條通往希望之路。她，就是何宛淇女士。

自幼罹患脊髓性肌肉萎縮症的何女士，不良於行，需以輪椅代步。然而，即使肢體上受到局限，她卻仍能找到屬於自己的一片天，一種講究精準技術、機智策略與強大心理素質的運動——硬地滾球。2008年，年輕的她入選中國香港硬地滾球代表隊，自此屢創佳績，不斷突破個人極限。2021年，她在硬地滾球 BC3 級別個人項目中榮膺世界排名第一。她歷年來在多屆亞洲殘疾人運動會（亞殘運）、硬地滾球世界盃、硬地滾球世界挑戰賽等賽事中屢獲殊榮，更在巴黎 2024 殘奧會攀上高峰，勇奪兩面金牌。她的天賦才華、不屈精神，以及多年來透過不斷付出而練就的純熟運動技巧，使她成為香港廣受喜愛的運動員之一，躋身國際頂級硬地滾球選手之列，並於今年 7 月獲香港特別行政區政府授予銅紫荊星章。

然而，何女士在社會發揮影響的深遠程度，遠遠不止於她在賽場上取得的成績與獎牌數量。在賽場外，她一直啟導社會推動改變。她於 2019 年榮獲行政長官社區服務獎狀，以表揚她對香港社會的貢獻。她再於 2023 年獲國際青年商會中國香港總會選為「十大傑出青年」，成為倡導社會共融的青年領袖。

近年，何女士與丈夫李榮傑先生攜手創辦慈善機構「愛共融慈善協會」（愛共融），旨在促進共融、多元與平等機會，並透過建立一個空間及平台，讓任何人不論其身體條件如何都能互動交流，從而增進彼此了解，一起推動社會進步，普惠社群。

為實現這一願景，愛共融推出了多個項目和計劃，為義工和熱心市民提供途徑，學習所需技能。愛共融確切地體現了何女士的期望，讓更多香港人能奉獻一己之力，服務他人。

何女士的人生觀哲學源自於相信：每個人，不論其能力和背景，都在社會中擔當着獨一無二的角色，並有能力和責任為社會作出貢獻。她的這份信念，來自於她滿懷感恩、崇拜和敬愛的母親，自幼向她言傳身教。展望未來，何女士將繼續努力幫助香港殘疾人士面對和克服挑戰，尤其是爭取在無障礙設施方面投放更多資源，以及推動能達至真正社會共融與和諧的政策改革。

在浸大的求學時光，是塑造何女士非凡人生旅程的其中重要一章。在浸大修讀中國研究社會科學學士課程期間，她不僅接受優質的教育，更在全人發展的環境下成長。浸大致力為有特殊教育需要學生提供悉心支援，讓她能夠享受校園生活；同樣重要的是，她獲得一眾充滿愛心的教授和同學的愛護與支持，成為結伴終身的良師益友。她與母校的連繫折射出這種緊密的情誼。2017 至 2018 年間，她曾擔任大學的特殊教育需要學生委員會委員。畢業後，她亦活躍於浸大社群，經常以演講嘉賓和導師身分重返校園。在浸大為學生與校友運動員舉辦的杭州亞洲運動會和亞殘運，以及巴黎 2024 奧運會及殘奧會的祝捷活動中，她以自身的奮鬥經歷，深深觸動在場每一位參加者。

浸大頒授榮譽大學院士銜予何宛淇女士，除了表揚這位卓越校友在國際體壇上的斐然成就，亦是對她帶頭推動、並讓不少香港人親身感受到社會進步的肯定。她的經歷，說明了各種限制都是可以跨越的；人類的潛能，可以超越局限；種種挑戰，只是給隱藏起來的機遇；樂於為他人服務的精神，是社會最寶貴的驅動力。

A VOTE OF THANKS BY MS HO YUEN-KEI

何宛淇女士謝辭

Council Chairman Dr the Hon Kennedy Wong, President and Vice-Chancellor Professor Alexander Wai, Members of the University Council and Court, Distinguished Guests, Respected Faculty, Staff, and Friends,

It is with the deepest humility, heartfelt gratitude, and a profound sense of honour that I stand before you today to accept this Honorary University Fellowship from Hong Kong Baptist University (HKBU). I feel truly blessed and privileged to receive this recognition and affirmation from such a distinguished institution — one devoted to nurturing talent, fostering academic excellence, and championing inclusiveness.

On behalf of my fellow Honorary University Fellowship recipients — Professor the Hon Chan Wing-kwong, Mr Chui Wing-on, and Ms So Ching — I would like to express our sincere thanks to the University, for this great honour that you have bestowed upon us.

My journey began with a diagnosis of spinal muscular atrophy, a condition that causes progressive muscle weakness. From a young age, I realised my body moved differently and I faced many physical and social barriers due to my diagnosis. Growing up with this condition was not easy; there were moments of frustration, fear, and self-doubt. However, I was blessed beyond words to have a family, especially my parents, who never saw my condition as a limitation but as part of who I am.

They taught me to focus on my strengths rather than my limitations and reminded me that my true value lies in my heart, my determination, and my courage to keep moving forward. Their selfless sacrifices and unconditional love gave me the strength to face every challenge with confidence and grace. I am forever grateful for the countless moments when they held my hand through difficult times and celebrated every small victory with me. My beloved parents — your endless love, unwavering belief, and quiet strength have shaped the person I am today. You taught me to embrace life with resilience and gratitude, and this honour belongs to you as much as it belongs to me. You are my greatest pillars, my lifelong inspiration, and the foundation of every step I have taken.

Sports became a powerful force in my life. Beyond medals and competitions, sports gave me freedom, purpose, and confidence. When I discovered boccia, I found not just a sport but a transformative passion that allowed me to challenge society's perceptions. Representing Hong Kong at the Paralympic Games in Rio 2016, Tokyo 2020, and Paris 2024 has been one of the milestones of my life.

Winning double gold medals at the Paris 2024 Paralympic Games was not only a personal milestone but also a powerful message to the world that limitations exist mostly in our minds. These victories symbolise countless hours of hard work, the belief of my coaches and teammates, and the unwavering support of my family and community.

Motivated by these experiences, I felt called to give back and help build a more inclusive society. This year, I founded “Love Inclusion Charity Association”, a non-profit charitable organisation. Guided by our precept “Love No Boundaries, Inclusion We Create”, our mission is to bridge individuals from diverse backgrounds, promote equality and social inclusion, and work towards building a caring and harmonious society.

We are dedicated to supporting vulnerable groups to ensure that everyone has equal access to opportunities, dignity, and care, fostering an inclusive, barrier-free, and harmonious society. We also focus on promoting social inclusion through education, employment, health support, and creating an accessible environment to enhance individual well-being and self-sufficiency.

The spirit of HKBU deeply resonates with me. Its unwavering commitment to nurturing students from all walks of life truly embodies its motto — Faith and Perseverance. This motto is not just a phrase but a guiding principle that has accompanied me throughout my life: to have faith in myself and those around me, and to persevere through every challenge with courage and determination.

Looking ahead, I hope to continue contributing to society by walking alongside other people with special needs — learning and growing together, supporting one another, and fully integrating into society. Beyond this, I am deeply committed to dedicating my efforts to building a more inclusive, compassionate, and barrier-free Hong Kong. I believe each of us has the power to create a community where everyone is respected, valued, and empowered to reach their full potential. It is my heartfelt wish to inspire more people to join this mission, so that together, we can build a bright future and a caring society for all.

This Honorary University Fellowship is more than a personal accolade. It is a beacon of hope and a reminder that with faith, perseverance, and collective support, no barrier is insurmountable. I promise to carry these values forward, to serve the community with a humble heart, and to inspire future generations to believe in themselves and contribute to society with love and strength.

As I conclude my remarks today, I have always believed that true strength is not measured by physical ability alone but by the courage to face life's challenges and the willingness to uplift others along the way. My motto is, "As long as you have the abilities, use them and do not limit yourself". This reminds us that each of us, regardless of our background or circumstances, should fully embrace our potential and make the most of every opportunity. By doing so, we not only enrich our own lives but also inspire and empower those around us to break boundaries and move forward together.

Thank you once again to HKBU for this incredible honour. Thank you to all the distinguished guests, faculty, friends, and family for sharing this meaningful moment with me.

Let us continue to walk together to build a Hong Kong that is inclusive, compassionate, and full of opportunities for everyone.

Thank you.

校董會主席黃英豪博士、校長衛炳江教授、各位校董會及諮議會成員、各位嘉賓、各位教職員、各位朋友：

今天，我懷着無限的謙卑、由衷的感謝和無比的榮幸，在各位見證下接受香港浸會大學（浸大）授予我榮譽大學院士銜。浸大是一所致力培育人才、追求學術卓越、倡導共融的傑出學府，能夠獲其認可和肯定，我深感光榮。

同時，我謹代表另外幾位榮譽大學院士陳永光教授、徐永安先生和蘇晴女士，向大學表達誠摯的謝意，感謝大學授予我們這份崇高的榮譽。

我的人生旅程由被診斷患上脊髓性肌肉萎縮症開始，意味我的肌肉會逐漸退化。自幼我就意識到自己的身體活動方式有別於常人，亦因為這個病而需要面對許多身體和社交上的障礙。在此病況下成長並不容易，當中充滿着挫折、恐懼與自我懷疑，猶幸我的家人，特別是我的父母，從不視我的病況為一種局限，而是我生命的一部分。

父母教我專注於自身的優勢而非缺陷，並時刻提醒我，真正的價值在於我內心的力量、堅毅的決心和不斷前行的勇氣。他們無私的付出與無條件的愛給了我力量，讓我可以從容自信地面對任何挑戰。我永遠感激他們陪伴我度過每個艱難時刻，與我分享每個小小的成就。親愛的父母，是你們無盡的愛、堅定的信念與無聲的力量塑造了今天的我，你們教導我要以堅毅和凡事感恩的態度擁抱生命，今天的這份榮耀不僅屬於我，也屬於你們。你們是我最堅實的支柱、畢生的啟迪，以及我前行每一步的基石。

運動成為我生命中強大的力量，獎牌與競賽以外，運動還賦予了我自由、目標與自信。當我接觸到硬地滾球後，我發現的不只是一項運動，更有一股讓我挑戰社會固有觀念的力量。能夠代表香港出戰 2016 年里約、2020 年東京和 2024 年巴黎的殘奧會，是我人生的里程碑之一。

在巴黎 2024 殘奧會奪得兩面金牌，除了是個人里程碑，也向世界傳達了一個強而有力的訊息，就是人的局限大多源於自身的思維。這些勝利的背後，象徵着無數小時的艱苦訓練、教練與隊友的信念，以及家庭和社會給予我的無限支持。

受到這些經歷啟發，我萌生了回饋社會、促進共融的念頭。今年，我創立了非牟利慈善機構「愛共融慈善協會」，以「愛無分你我，共融創未來」為宗旨，目的是將不同層面的人士連繫一起，致力推動平等與共融，共建關愛和諧的社會。

我們致力支援弱勢社群，確保每個人享有同等機會、尊嚴與關懷，共建一個共融、無障礙、和諧的社會。我們亦積極透過教育、就業、健康支援及創建無障礙環境，促進社會共融，並藉此提升個人福祉和自立能力。

浸大致力培育不同背景的學生，真正體現其校訓「篤信力行」，此精神讓我深感認同。「篤信力行」不僅是校訓，也是引領我的信念：相信自己和身邊的人，並以勇氣和決心克服每一個挑戰。

展望未來，我希望繼續貢獻社會，與其他有特殊需要的人士並肩前行，互相學習、共同成長，互相支持，融入社會。此外，我將竭盡所能，建設一個共融、有愛、無障礙的香港，深信我們每一個人都有能力創造一個讓所有人受到尊重、重視並能充份發揮潛能的社會，衷心期望更多人支持這項使命，共建光明的未來和關愛的社會。

榮譽大學院士銜不僅是個人榮譽，更是希望之光，提醒我們只要有信念、毅力和群體的支持，就沒有克服不了的障礙。我承諾將秉持這些價值，以謙卑之心服務社會，並激勵年輕一代相信自己，以愛與力量回饋社會。

最後，我一直深信真正的力量並非單純取決於體能，而是面對人生挑戰的勇氣和願意在路上扶持他人的意志。我的人生座右銘是：「只要有能力，就必盡其力」，它提醒我們，不論背景或際遇，每個人都應充分發揮一己潛能，並好好把握每個機會，這樣不僅能活出豐盛人生，更能啟發和激勵他人突破界限，一同前行。

再次感謝浸大授予我這份無上的榮譽，並感謝在座各位嘉賓、教職員、好友和家人，與我分享這意義非凡的時刻。

讓我們繼續同行，共建一個共融、有愛、充滿機會的香港。

謝謝大家。

AN ADDRESS BY PROFESSOR PING-KONG ALEXANDER WAI PRESIDENT AND VICE-CHANCELLOR

校長衛炳江教授講辭

Council and Court Chairman Dr the Hon Kennedy Wong, Honorary University Fellows, distinguished guests, ladies and gentlemen,

Welcome to the Honorary University Fellowship Conferment Ceremony of 2025. Today, we gather to honour and celebrate the remarkable achievements of an inspiring group of individuals who have made exceptional contributions to their respective fields and the community.

On behalf of the University, I wish to congratulate our Honorary University Fellows: Professor the Hon Chan Wing-kwong, Mr Chui Wing-on, Ms Ho Yuen-kei and Ms So Ching.

Representing the fields of Chinese medicine, law, sports and architecture, our new Honorary University Fellows command our respect not only for their outstanding achievements, but also for their generous spirit and compassion to serve the community and those in need. They have excelled not only in their chosen paths but have also touched lives — mentoring young people, advancing professional standards, advocating for inclusivity, and shaping a better future for Hong Kong.

While each of our Honorary University Fellows has a unique story to tell, they all share one thing in common: an unwillingness to be defined or limited by circumstances. They refused to give up in face of challenges. With determination and courage, they rose above obstacles and went on to achieve great things in life. Their success is not solely defined by their personal accomplishments, but also by their compassion to uplift and help others succeed along their journey. Regardless of our life stages, we can all draw inspiration from their resilience and unwavering dedication to their beliefs and goals.

We are navigating a rapidly-changing landscape, driven by technological advancements beyond our imagination almost every day. As educators, we have the obligation to empower the next generation to fulfill their potential and seize opportunities amid these changes, by equipping them with the right mindset, knowledge and skills. Our Honorary University Fellows have already shown us success is possible against all odds. This steadfast pursuit of excellence and perseverance is something HKBU also holds close to heart and strives to instill in our students, staff and the community at large.

In 2026, HKBU will mark its 70th anniversary, a proud milestone made possible by the contributions and support of countless individuals who share the University's values and vision in fostering academic and research excellence, and cultivating a caring and inclusive culture. There will be a year-long celebration which will be a time to reflect on our journey, honouring those who have shaped our history and looking boldly to the future. I am sure the visions of our new Honorary University Fellows will guide us through our course in future like what our predecessors had done in the past seven decades. Together, we will attain more remarkable achievements and make more significant contributions to society down the road, and celebrate the growing vigour of the HKBU community with a strong dedication to achieving our mission.

Congratulations once again to our Honorary University Fellows! Through our collective efforts, I have every confidence we will chart new frontiers for Hong Kong, the Nation, and the world, providing hope and inspiration for our next generations.

Thank you.

我謹代表大學，衷心祝賀我們的榮譽大學院士，包括陳永光教授、徐永安先生、何宛淇女士及蘇晴女士。

這幾位新任榮譽大學院士分別在中醫藥、法律、體育和建築領域中卓然有成。他們不僅成就斐然，更懷有慷慨無私的精神與熱忱，服務社群和需要援手的人，廣受尊崇。他們除了在自己選擇的人生道路上表現優秀，更積極發揮影響力——指導青年、推動專業標準、倡議共融，以及為香港締造更美好的未來。

每一位榮譽大學院士均有着其獨特的人生故事，但他們都有一個共通之處：不甘於被環境和際遇所規限。他們拒絕向困難低頭，憑着堅毅與勇氣，克服重重障礙，成就自己的人生。他們的成功，不只在於個人的成就，更在於樂意扶掖他人走向成功之路。無論我們正處於人生哪個階段，都必能從他們對信念和目標的堅持與努力之中獲得啟發。

現今科技不斷取得超乎想像的發展，令我們置身於變化急速的世界。作為教育工作者，我們肩負重任，裝備下一代具有正確的心態、知識與技能，令他們能夠在變化中發揮潛能，捉緊機遇。我們的榮譽大學院士正是最佳示範，證明即使身處逆境，亦能取得成功。這份追求卓越、百折不撓的心志，是浸大一直珍視，並致力向師生和社會傳遞的核心價值。

浸大將於 2026 年迎來 70 周年校慶。在無數認同大學價值和願景，致力在學術和研究力臻至善，並孕育關愛共融文化的同仁的耕耘和支持下，大學達到這個值得我們驕傲的里程碑。我們將展開為期一年的慶祝活動，藉此回顧過去的發展歷程，並向那些高瞻遠矚，為浸大創造歷史的先賢致敬。我深信幾位新任榮譽大學院士的真知灼見，將如同過去 70 載我們的先驅一樣，引領我們繼續昂首前行。我們眾志一心，定能為浸大續創佳績，為社會作出更大貢獻，堅定地履行大學的使命，見證浸大社群不斷壯大。

再次祝賀我們的榮譽大學院士！我深信在大家攜手努力下，我們將會為香港、國家以至全球開拓新面貌，成為一代又一代年青人的領航明燈。

謝謝各位。
