A CITATION FOR
HONORARY UNIVERSITY FELLOW
榮譽大學院士贊辭

Mr Paulo PONG Kin-ye
龐建貽先生

A visionary entrepreneur, an avid patron of arts and culture, and a prominent leader in the development of tourism in Hong Kong, Mr Paulo Pong Kin-yeec has attained remarkable success across commercial, cultural and public sectors, embodying the very essence of multi-faceted leadership and dedicated service. He stands as a figure whose greatness is reflected not only in his business achievements, but also in the enrichment of the city and society at large.

Mr Pong paved his path to success by whole-heartedly immersing himself in the fundamentals of his trade and by grounding it in genuine passion. During his time as a student in Materials Science and Engineering at the Massachusetts Institute of Technology (MIT) in the US, Mr Pong began taking up internships and part-time jobs in the food and beverage industry, gaining hands-on experience from entry-level positions. These early experiences allowed him to learn the ropes of positions at different levels within a company, rendering him a comprehensive understanding of business operation that would later prove invaluable in his entrepreneurial pursuits and lead to the founding of his own enterprise, Altaya Group International Limited, in 2001.

Today, Altaya has established itself as a premier purveyor of over 200 renowned wine brands from top vineyards across the globe, providing professional services ranging from wine list selection and consultation to investment for both corporate and private clients. Throughout the years, Mr Pong has successfully led Altaya through global and economic uncertainties. Each experience taught him the critical importance of risk management and adaptive resilience, propelling him from strength to strength and preparing him to navigate any challenge.

Apart from his business acumen, Mr Pong holds a profound interest in arts and culture, first cultivated at a young age under the influence of his parents. Growing up in a household where creativity was encouraged, he developed a refined sensibility for arts and music, which he would continue at MIT by pursuing electives in opera and arts history. The education and exposure he received during those formative years equipped him with the cultural literacy and broad-minded discernment necessary to lead some of Hong Kong's most important arts and tourism institutions, laying the foundation for his later contributions to public service.

It is this unique fusion of entrepreneurial drive and cultural sense that has powered Mr Pong's commitment to public service. Having served as Member of the Hong Kong Tourism Board and the Hong Kong Arts Development Council, he has consistently brought his distinctive blend of business and cultural insights to his public roles. Case in point, as Chairman to the Board of the Ocean Park Corporation, he steered Ocean Park, one of Hong Kong's most iconic theme parks, through the challenging times of the COVID-19 pandemic. Leveraging his extensive network, innovative ideas and professional experiences, he attempts to consolidate Hong Kong's position as a world-class premier tourist destination. Beyond tourism, his service as Board Member of the West Kowloon Cultural District Authority, Chairman of the Board of M Plus Museum Limited, and Member of the Hong Kong Film Development Council, also underscores his commitment to enriching Hong Kong's cultural fabric. In recognition of Mr Pong's dedicated contributions to the development of arts and culture, tourism and the film industry,

the Government of the Hong Kong Special Administrative Region appointed him a Justice of the Peace in 2018 and awarded him the Bronze Bauhinia Star in 2024.

At Hong Kong Baptist University (HKBU), Mr Pong currently serves as an Honorary Court Member and as Chairman of both the Governing Board and the Tenancy Committee of the Jockey Club Creative Arts Centre, an HKBU subsidiary that is a unique vertical artist village and arts centre in Hong Kong. Previously, he served as Member of the University's Council and Court from 2017 to 2022, and contributed as Deputy Chairman of the Campus Development and Facilities Management Committee, and Member of the Audit Committee and the Sub-committee on Jockey Club Campus of Creativity Project. Over the years, through his steadfast support, leadership, and wise counsel, Mr Pong's commitment to HKBU has left a lasting and impressive mark on the University's governance and development.

Mr Pong believes that a university is far more than a credentialling body, but a sanctuary where students can safely learn and experiment. He sees HKBU as exemplary in this regard, particularly in the University's rich heritage in the arts, culture and creative media, boasting celebrated creative talent among its graduates. He encourages students to expand their social networks, engage with people from diverse backgrounds, and cultivate a lifelong habit of curiosity.

Mr Pong's own character was shaped by the activities he participated in during university alongside his academic studies. As an enthusiastic swimmer, water polo player, and basketball player, he considers extracurricular activities conducive to a person's holistic development. His advice to the younger generation is to grow through adversity and not to rush the process, as meaningful progress requires patience, and to see setbacks not as defeats, but opportunities for character building. This philosophy is perfectly encapsulated in his family motto, which has guided him through every trial: "Through fire and hammering is iron forged into steel; through hard work and perseverance does a person become great".

In recognising Mr Paulo Pong Kin-ye, HKBU honours not merely a distinguished entrepreneur and civic leader, but a changemaker whose life's work has been devoted to making Hong Kong a more vibrant and creative city. The conferment of this Honorary University Fellowship undoubtedly marks the convergence of Mr Pong's and the HKBU community's shared vision and commitment to creating social value in the years to come.

龐建貽先生是一位高瞻遠矚的企業家、熱心的藝術文化推動者，以及香港旅遊業的領航人，在商界、文化界及公共服務領域成就卓越，充分體現了多元領導才能與竭誠服務的精神。龐先生作為商界翹楚，不僅在商業上成就斐然，其貢獻更惠澤香港和社會各界。

龐先生的成功之路，始於他全心投入所熱愛的行業，建立穩固基礎。在美國麻省理工學院修讀材料科學與工程學期間，他已開始在餐飲業界從事實習與兼職工作，從前線崗位累積寶貴的實戰經驗。這些早期的歷練讓他掌握到企業不同職級的工作實況，更全面地理解企業營運的每一個環節，為日後的創業之路奠定根基，並於 2001 年創辦大亞國際集團。

時至今日，大亞國際集團已發展成為業界翹楚，代理來自世界各地頂級酒莊逾 200 個知名品牌，為企業及私人客戶提供酒單選擇、諮詢，以至投資等專業服務。多年來，龐先生成功帶領集團應對環球與經濟變化，每一次考驗都讓他深刻體會到風險管理與適應力至關重要，推動他不斷奮力前行，為迎難而上作好準備。

除了出眾的商業智慧，龐先生對藝術文化亦懷有濃厚興趣。他在一個鼓勵創意的家庭環境中成長，在父母的薰陶下，自小培養出對藝術與音樂的敏銳觸覺，亦啟發他在麻省理工學院求學期間，繼續選修歌劇與藝術史課程。在成長歲月中所受的教育與體驗，塑造了他的文化素養與廣闊視野，也為他日後領導多個香港重要的藝術和旅遊機構，以至參與公共服務奠下深厚基礎。

正是這種創業精神與文化觸覺的獨特結合，成為了龐先生投入社會服務的動力。在擔任香港旅遊發展局成員及香港藝術發展局委員期間，他一直把其結合商業與文化視角的獨到見解應用於公職。作為海洋公園公司董事局主席，他帶領海洋公園這個在香港其中一個最具標誌性的主題公園度過新冠疫情的嚴峻挑戰。憑藉其廣闊網絡、創新思維及專業經驗，他致力鞏固香港作為世界級首選旅遊目的地的地位。在旅遊業以外，他亦擔任西九文化區管理局董事局成員、M Plus Museum Limited 董事局主席及香港電影發展局委員，展現他對豐富香港文化實力的熱忱。龐先生於 2018 年獲香港特別行政區政府委任為太平紳士，並於 2024 年獲頒授銅紫荊星章，以表揚他在推動藝術文化、旅遊業和電影業發展的貢獻。

龐先生現時在香港浸會大學（浸大）擔任諮議會榮譽委員，同時出任浸大附屬機構賽馬會創意藝術中心——香港唯一的垂直藝術村兼藝術中心的董事局及租務專責委員會主席。他於 2017 至 2022 年間曾任大學校董會暨諮議會成員，並擔任校園拓展及設施管理委員會副主席，以及審計委員會和賽馬會創意校園工程委員會成員。龐先生多年來不遺餘力支持浸大，憑其非凡領導能力，為大學出謀獻策，在浸大的管治和發展上產生深遠和顯著的影響。

龐先生認為大學的角色遠遠不單只是頒授學歷的機構，更是一個讓學生能夠安心學習、勇於嘗試的地方。他認為浸大在這方面堪為模範，特別是在藝術、文化與創意媒體領域上具備深厚底蘊，孕育大量優秀的創意人才。他鼓勵學生擴闊社交網絡，接觸來自不同背景的人，並培養出一生受用的好奇心。

在求學之餘，大學時期參與各種活動的經驗亦塑造了龐先生的個性。他熱愛游泳、水球和籃球，也因此深深體會到課外活動對個人全面發展有莫大裨益。他給年輕一代的寄語，是要在逆境中莊敬自強，切勿急於求成；遇上挫折時，不要氣餒，反而視之為塑造品格的機會。真正的進步，往往需要耐心經過時間的淬鍊。這份人生哲學，源於他一直以來恪守的家訓：「鐵經百煉方成鋼、人須奮鬥始成才」。

浸大欣然向龐建貽先生頒授榮譽大學院士銜，除了肯定他作為傑出商界和社會領袖的地位，更表揚他是一位全心奉獻、致力打造香港成為更具活力與創意之城的革新者。這項殊榮無疑標誌着龐先生與浸大社群的共同願景結聚成流，一起攜手在未來創造更大的社會價值。

A CITATION FOR
HONORARY UNIVERSITY FELLOW

榮譽大學院士贊辭

Mr Ivan WONG Siu-kei
王紹基先生

Mr Ivan Wong Siu-kei is a distinguished business and community leader whose influence spans public governance, energy infrastructure, commercial associations, education and training, social welfare, as well as sports and culture. He has consistently served the community, dedicated himself to youth development, and maintained an unshakeable belief in building a better society together, making significant contributions to the sustainable development of Hong Kong and the nation.

Mr Wong is currently the Vice Chairman of Kum Shing Group, a leading enterprise in Hong Kong's energy, transportation, and infrastructure sectors. For over six decades, the Group has contributed to shaping Hong Kong into one of the world's most efficient cities. Mr Wong fully recognises that sustainable and cost-effective energy serves as both a competitive edge and the cornerstone of development, and his ability to integrate business acumen with a forward-looking vision for national development needs stands as a testament to his strategic brilliance, thoughtful deliberation, and profound sense of patriotism and responsibility.

Over the years, Mr Wong has actively devoted himself to public and community service. He currently serves in several positions, such as Member of the Guangdong Provincial Committee of the Chinese People's Political Consultative Conference (CPPCC), Standing Committee Member of The Chinese General Chamber of Commerce, Hong Kong, and Chairman of its Education and Training Committee, Chairman of the Board of Directors of the Hong Kong United Foundation (a non-profit think tank), Director of the Tung Wah Group of Hospitals, Director of The Football Association of Hong Kong, China, and Council Member of the Hong Kong Repertory Theatre. He has actively promoted the integration of Hong Kong's commercial and educational sectors into national development strategies, while deepening the synergistic development of the Guangdong-Hong Kong-Macao Greater Bay Area (GBA). In recognition of his outstanding contributions, the Government of the Hong Kong Special Administrative Region appointed him as Justice of the Peace in 2021.

Mr Wong's philosophy of success lies in mutual benefit and collective growth. He adheres to this belief in both his life and career, while practising the personal principle of "treating others with sincerity and upholding strict self-discipline" — always demonstrating respect and generosity toward others while prioritising self-cultivation and moral integrity for himself. Meanwhile, he places immense value on lifelong learning and leads by example. He is currently pursuing an Executive Master of Business Administration (EMBA) degree at Tsinghua University, conducting in-depth research on financial and economic opportunities along the Belt and Road region to reinforce Hong Kong's vital role in the nation's "bringing in and going global" strategy.

Since 2018, Mr Wong has extended his vision beyond his family business to actively champion the development of Hong Kong and the nation. He pays particular attention to education and infrastructure development in the GBA, countries and regions along the Belt and Road, and border provinces in the Chinese Mainland, such as Tibet and Xinjiang. He has also taken on the important mission of promoting the image of Hong Kong and the Chinese Mainland to the international community. By leveraging digital and social media platforms, he presents an authentic, multifaceted narrative of China to the world.

He believes that Hong Kong possesses both the need and the ideal conditions to tell the stories of China and “One Country, Two Systems” effectively, thereby fostering cultural and humanistic exchanges between China and the world.

For many years, Mr Wong has established scholarships through the “Wong Kam Fai & Wong Kwok Keung Foundation” to support students at Hong Kong Baptist University (HKBU) in undertaking internships in the Chinese Mainland and Belt and Road countries and regions. These initiatives empower young people by cultivating a deep love for the nation within them, broadening their global horizons and providing continuous guidance for their personal growth. In an era marked by a rapidly changing global landscape and an increasingly competitive job market, he encourages the youth to step out of their comfort zones, proactively align with and serve the national development strategies, seize the opportunities in the GBA, and explore emerging industries. By doing so, they can open up broader horizons for themselves and society, contributing the strength of Hong Kong’s youth to the motherland’s modernisation.

Mr Wong enjoys a profound bond with HKBU, stemming from a family legacy spanning three generations that deeply values education and youth development. The HKBU Affiliated School Wong Kam Fai Secondary and Primary School (A-School), named after his grandfather, was established under this vision. In addition to donating hardware facilities for the A-School, Mr Wong awards annual scholarships and bursaries to outstanding students. This year, he facilitated the signing of a Memorandum of Understanding for joint development between the A-School and the Tsinghua University High School, creating a shared learning platform for teachers and students across both regions, with a focus on artificial intelligence and cutting-edge disciplines in China. The A-School’s celebration of a top scorer in this year’s Hong Kong Diploma of Secondary Education examination exemplifies its remarkable educational achievements. This milestone demonstrates the deep-rooted connection between the Wong family and HKBU, as they jointly carry forward the vision of nurturing young talents through quality education.

HKBU is the proud starting point of Mr Wong’s deep engagement in educational governance and talent cultivation. Since his graduation in 2006, he has actively served the University, currently holding positions as Court Member, Member of the Board of Governors and Co-Chairman of the Young Entrepreneur Committee of the HKBU Foundation. As the Executive Chairman of the “Wong Kam Fai & Wong Kwok Keung Foundation”, he has generously donated to and fully supported HKBU’s “One University, Two Campuses” initiative, promoting meaningful interactions between students in Hong Kong and Zhuhai through resource sharing. In his view, HKBU places a strong emphasis on whole person education. The University’s strength in transdisciplinary education, combined with its commitment to research and innovation, ensures that students’ learning outcomes effectively address evolving societal needs, equipping students with technological literacy while fostering independent and critical thinking.

Mr Ivan Wong Siu-kei is a visionary community leader and a passionate mentor in youth education. HKBU is delighted to confer the title of Honorary University Fellow upon Mr Wong in recognition of his outstanding professional achievements and selfless contribution. His accomplishments embody the core values and beliefs of HKBU, and his positive impact on Hong Kong and the nation will surely inspire generations to come.

A CITATION FOR
HONORARY UNIVERSITY FELLOW
榮譽大學院士贊辭

Professor Edward YAU Tang-wah
邱騰華教授

With a long and distinguished career spanning both government and the non-governmental sector, Professor Edward Yau Tang-wah has stood as a paragon of public service, leadership excellence, and unwavering dedication to the betterment of Hong Kong. He has served as a civil servant and a politically appointed official across different echelons and functions within the Government of the Hong Kong Special Administrative Region (HKSAR), and more recently as an advocate of inclusive education for persons with disabilities, empowering communities and inspiring greater social harmony and cohesion.

Having studied at The University of Hong Kong, the University of Oxford, and Harvard University, Professor Yau experienced an educational journey across three continents that equipped him with a global perspective and a deep appreciation for diverse practices of scholarship and governance. This foundation proved invaluable throughout his career in the Government of the HKSAR, where he rose through the ranks over more than four decades of exemplary service, holding numerous key positions including Deputy Director-General of Trade and Industry, Director-General of the Hong Kong Economic and Trade Office in Washington, DC, Deputy Secretary for Education and Manpower, and Director of Information Services. He advanced to Secretary for the Environment and Director of the Chief Executive's Office before assuming the role of Secretary for Commerce and Economic Development in 2017. With a firm and consistent mission to serve the people of Hong Kong, he understood the key to effective governance is through building genuine connection with society, paying heed to diverse stakeholders, solving their problems, and staying grounded to the needs of those whom policies are meant to benefit.

Among his many notable achievements beyond HKSAR are the landmark international trade agreements he successfully negotiated during his tenure as Secretary for Commerce and Economic Development. Demonstrating keen acumen and superior negotiation skills, he accomplished a number of free trade and investment protection agreements between HKSAR and its strategic trade partners, including the Association of Southeast Asian Nations, Australia, and Georgia. He also represented Hong Kong, China at significant international forums, such as the World Trade Organization Ministerial Conference, and ministerial meetings of the Asia-Pacific Economic Cooperation. Through multi-lateral deals, he upheld HKSAR's reputation as a centre of free trade. Furthermore, he led business delegations to various nations, particularly those along the "Belt and Road" that connect with the Chinese Mainland through HKSAR, contributing substantially to its prosperity and global standing. In recognition of his dedicated and distinguished service to the community, Professor Yau was awarded the Gold Bauhinia Star in 2011 and appointed a Justice of the Peace by the Government of the HKSAR in 2022.

Upon departing from the Government of the HKSAR and driven by his humanitarian convictions, Professor Yau became Chairman of the Council of the Hong Chi Association (HCA), leading one of the most well-established non-profit organisations dedicated solely to serving people with intellectual disabilities and their families in Hong Kong. As early as 1996, Professor Yau was already a passionate advocate for inclusive education, believing that persons with disabilities should be immersed in and embraced by society, and that the support for them must be holistic, extending far beyond the mere provision of special schools. Under his leadership, HCA has sought to highlight the abilities of intellectually disabled children while creating opportunities that enable their growth and enrich their

lives. In recent years, HCA has collaborated with art shows and auction houses, where children's artworks have been promoted, validating their artistic talent and value. In his eyes, these children should not be merely seen as beneficiaries of society's good will, but as fellow human beings with gifts to offer. This bears testimony to his ability to translate his vision into concrete, life-affirming action.

Professor Yau's relationship with Hong Kong Baptist University (HKBU) is both profound and consequential. In June 2024, a Memorandum of Understanding was signed between HCA and HKBU, establishing a long-term partnership to support individuals with intellectual disabilities and promote greater inclusiveness. This all-round collaboration has led to joint learning initiatives for HCA service users and HKBU students, fostered knowledge sharing and skills exchange, and provided opportunities for community engagement and service-learning projects. HKBU students from the Faculty of Arts and Social Sciences and the School of Creative Arts have worked with HCA on school projects, gaining meaningful experiences beyond the classroom. Professor Yau has also offered valuable input and advice to the University to propel its development, in addition to supporting academic events such as delivering a keynote speech at HKBU's first International Symposium on Humanities, Societies and Digital Futures organised by the Faculty of Arts and Social Sciences.

Holding a deep appreciation for HKBU's unique character and spirit, Professor Yau sees the University as a place where experimentation is encouraged, backed by research expertise and scholarly depth. He especially values HKBU's Christian heritage, which emphasises mutual support and benevolence, and its commitment to whole person education and outreach to the community. He also recognises HKBU's efforts in promoting transdisciplinary education that contributes to society, and he envisions the HCA-HKBU partnership as a model of how universities can engage meaningfully with vulnerable communities. In his view, a university's role is not only to transfer knowledge but also to conduct research on policies and innovations that can transform the lives of those in need. To the younger generation, he encourages continuous learning, breaking barriers, and embracing change in a world that is constantly evolving.

In recognising Professor Edward Yau Tang-wah, the University honours a public servant of high integrity, a compassionate advocate for the underprivileged, and a visionary partner in building a fairer and more inclusive society. His life's work exemplifies the highest ideals of service that the University holds dear. It is with immense pleasure that the University welcomes him into its family as an Honorary University Fellow.

離開香港特區政府後，憑着其人道主義信念，邱教授出任匡智會執行委員會主席，領導這個其中一間最具規模專為智障人士及其家庭服務的的非牟利機構，全力開展各項計劃與項目。他早於1996年已熱心倡導融合教育，深信社會大眾應接納殘疾人士，並在特殊學校之外提供全面的配套支援。在邱教授的領導下，匡智會致力啟導智障兒童，讓他們盡展所能，為其成長創造機會，提升生活質素。近年，匡智會更與藝術展會及拍賣行合作，推廣智障兒童的藝術作品，肯定他們的藝術才華與能力。在邱教授眼中，智障兒童不應僅僅被視為關愛社會的受助對象，而是同樣有能力回饋社會的人。他透過具體的行動實踐這份願景，幫助孩子活出豐盛人生。

邱教授與香港浸會大學（浸大）有着緊密聯繫，亦成就出豐碩成果。2024年6月，匡智會與浸大簽署合作備忘錄，建立長遠夥伴關係，以支援智障人士並促進社會共融。這個全面的合作計劃促成匡智會服務使用者與浸大學生攜手進行學習項目，促進知識分享與技能交流，並創造機會連繫社群和推動服務學習。來自浸大文學及社會科學院與創意藝術學院的學生，與匡智會合作在學校舉辦活動，獲得課堂以外的寶貴學習體驗。邱教授亦為浸大的發展規劃提供真知灼見，並支持浸大的學術活動，包括在文學及社會科學院舉辦的首屆「人文、社會與數字未來國際研討會」上發表主題演講。

邱教授認為浸大是一家獨樹一幟的學府，既融匯專業領域研究與學術知識，亦鼓勵學生與學者勇於創新嘗試。他特別推崇浸大秉持基督教辦學理念，着重互助仁愛的精神，在推行全人教育和服務社會方面力臻至善。他尤其欣賞浸大致力實行跨學科教育，能夠裝備學生以貢獻社會，而浸大與匡智會的合作，則展示出大學可以聯同弱勢社群一起創造深遠意義。大學的角色不僅在於傳授知識，更在於為政策建議進行研究，並追求創新突破，從而改變有需要人士的生活。他勉勵年輕一代要持續學習、迎難而上，在不斷轉變的世界學習擁抱改變。

邱教授既是一位情操高尚的公僕，亦是一位關懷弱勢的共融倡議者，憑藉其遠見，致力促進建設更平等融和的社會。他的畢生事業，充分體現了浸大服務社群的理念。浸大欣然向邱騰華教授頒授榮譽大學院士銜，以茲表揚。

A CITATION FOR
HONORARY UNIVERSITY FELLOW
榮譽大學院士贊辭

Mr Tony YUE Kwok-leung
余國樑先生

A distinguished leader in the construction industry by profession with a lifelong passion for sport, Mr Tony Yue Kwok-leung has dedicated many decades of his life to the promotion, governance, and strategic development of competitive sports for Hong Kong at local, regional, and international levels. With determination, persistence, and a belief in the power of human potential, he has played a pivotal role in transforming Hong Kong into a recognised sporting force on the world stage, particularly in the discipline of table tennis. He has certainly written his name into Hong Kong's sporting history.

Mr Yue's academic credentials nurtured his intellectual rigour and global outlook. He earned a Bachelor of Science in Engineering from Brown University and a Master of Science from Stanford University, two of the world's most prestigious institutions. This outstanding educational background equipped him with the analytical mindset and problem-solving skills that would later serve him not only as Director of Wo Hing Construction Company Limited, but also in the complex arena of sports administration.

Mr Yue's leadership in the sporting world is nothing short of remarkable, and it was an early personal connection to sport that sowed the seeds. His father, Mr Yue Yun-hing, was a renowned table tennis player, and under this familial influence, he was introduced to the sport from a young age. What began as a pastime became a channel that helped him gain self-confidence, taught him the value of discipline, and instilled in him a passion for excellence.

Committed to the development of sports, Mr Yue has served as the Vice-President of the Sports Federation and Olympic Committee of Hong Kong, China since 2006, and as Chairman of the Hong Kong, China Table Tennis Association, where his vision and leadership elevated the sport to new heights. In the international community, he has been Member of the Board of Directors of the International Table Tennis Federation and the Honorary Life Secretary General of the Asian Table Tennis Union, demonstrating his capacity in sports governance. Moreover, he was appointed as the Chef de Mission for the Hong Kong, China Delegation to the Vancouver 2010 Winter Olympic Games and the PyeongChang 2018 Winter Olympic Games, and as the Deputy Chef de Mission for the Hangzhou 2022 Asian Games. He was the Headquarters Official for the Hong Kong, China Delegation at the Hong Kong 2009 East Asian Games and Singapore 2009 Asian Youth Games. These roles demanded not only mastery in planning and management, but also the ability to inspire and motivate athletes. In recognition of his significant contributions to sports, he was awarded the Medal of Honour in 2003 and Bronze Bauhinia Star in 2016 by the Government of the Hong Kong Special Administrative Region (HKSAR). In addition, he was appointed a Justice of the Peace in 2008 by the Government of the HKSAR.

When Team Hong Kong, China's athletes excel on the international stage, Mr Yue sees it as tangible proof of Hong Kong's strong sporting foundation and soft power. In his view, sport can unite the community and foster close exchanges and connections between Hong Kong and the Chinese Mainland. To further Hong Kong's sports development, he tirelessly advocates for a systematic and organised approach, knowing that victories can be achieved more effectively through structured pathways, early talent identification, and sustained support. As he often emphasises, athletes must train for at least 10,000 hours to reach

world-champion level, making it crucial to encourage sports participation among young people. With more than 8,000 active table tennis players on the local roster, many of whom are only 13 or 14 years old, Hong Kong possesses a critical pipeline for identifying and nurturing future champions. Furthermore, having served as Chairman of the Elite Sports Committee of the Sports Commission and Member of the Sports Commission of the Government of the HKSAR, Mr Yue has been instrumental in shaping policies that prioritise the best interests of Hong Kong's athletes.

Mr Yue's philosophy is simple yet profound: set realistic goals and pursue them persistently. Adversities, when they arise, are not insurmountable obstacles. On the contrary, they offer a window to raise self-awareness, analyse failure, and discover solutions. He has learnt, through a lifetime of navigating challenges in both business and sports administration, to see every difficulty as an opportunity for reflection and growth. This proactive and pragmatic mindset for facing adversity is captured in his life motto: Seize the Day. He urges students and the younger generation to better themselves every day, take ownership of their education, and to live the present to the fullest.

Mr Yue served as Advisor of the China Studies Programme and as Chairman of the Advisory Committee of the Department of Sports and Health Sciences (then known as the Department of Physical Education), underscoring his deep and longstanding connection with Hong Kong Baptist University (HKBU). Mr Yue has also offered invaluable advice on sports-related education programmes, helping to shape the future of sport education at HKBU, and enabling students of the programmes to pursue their academic studies alongside their sporting dreams. He finds the University's commitment to whole person education and transdisciplinary learning exceptionally commendable, believing that sport education is irreplaceable in developing one's character. He is particularly pleased to see athletes returning to university for further education, viewing this as a win-win for the university, the athletes, the sporting world, and society at large.

In recognising Mr Tony Yue Kwok-leung, the University honours not only a towering figure in sports administration, but a person whose extraordinary contributions to the promotion and development of sports have built an enduring legacy. Beyond a doubt, Mr Yue is an admirable inspiration to all in the HKBU community. It is therefore with great pleasure that the University confers upon him the title of Honorary University Fellow.

余國樑先生是建造業界的傑出領袖，畢生熱愛體育運動，並在過去數十載熱心投入香港體育競技產業在本地、區內以至國際層面的推廣、管治及策略發展。憑藉其堅定決心與毅力，以及對人類潛能的信念，余先生在拓展香港成為國際體壇一股備受肯定的力量扮演着關鍵角色，尤其對乒乓球運動發展貢獻良多，奠定了他在香港體壇的崇高地位。

余先生優秀的學歷孕育了他的知識涵養和國際視野。他先後畢業於布朗大學及史丹福大學兩所世界頂尖學府，分別取得工程理學士及理學碩士學位。良好的教育背景培養出他縝密的分析能力與解難智慧，成為他日後出任和興建築有限公司董事，以及參與複雜的體育管理工作的有力後盾。

余先生在體育界的領導才能出類拔萃，源於他與體育的不解之緣。他的父親余潤興先生乃一位乒乓球名將，在家庭熏陶下，他自幼便接觸這項運動。最初乒乓球對他而言只是一項消閒活動，其後卻逐漸幫助他建立自信、認識紀律的價值，並激勵他矢志追求卓越。

余先生致力推動體育發展，自 2006 年起擔任中國香港體育協會暨奧林匹克委員會副會長。他亦出任中國香港乒乓總會主席，心懷願景帶領香港乒乓球運動發展並迭創高峰。在國際體壇上，余先生曾擔任國際乒乓球聯合會董事會成員，並榮膺亞洲乒乓球聯盟終身榮譽秘書長，充分展現他在體育領域的卓越管治能力。此外，他曾獲委任為 2010 年溫哥華冬季奧運會及 2018 年平昌冬季奧運會中國香港代表團團長，以及 2022 年杭州亞洲運動會中國香港代表團副團長。他亦為 2009 年香港東亞運動會及 2009 年新加坡亞洲青年運動會中國香港代表團團部成員。這些崗位不僅需要掌握規劃與管理，更要具備啟發和激勵運動員的才能。為表彰其對體育事業的重大貢獻，他於 2003 年獲香港特別行政區政府（香港特區政府）頒發榮譽勳章，並於 2016 年獲頒銅紫荊星章。另外，他於 2008 年獲香港特區政府委任為太平紳士。

每當中國香港運動員在國際比賽中取得佳績，余先生都視之為香港雄厚體育根基與軟實力的印證。他深信，體育能夠團結社會，並推動香港與中國內地的緊密交流與聯繫。為進一步促進香港體育發展，他不遺餘力地提倡建立更系統化、更有組織的機制。他深明，透過結構性的職涯路徑、年青人才選拔，以及持續支援，方能更有效地協助業界克服挑戰。他常言道，運動員需要至少一萬個小時的刻苦訓練，方能達至世界冠軍水平，故此積極鼓勵青年參與運動十分重要。現時香港有超過 8,000 名活躍的乒乓球運動員，當中不少年僅 13、14 歲，讓香港擁有充足的途徑發掘和培養未來的冠軍運動員。此外，余先生曾任香港特區政府體育委員會轄下精英體育事務委員會主席及體育委員會成員，在制定與香港運動員福祉相關的政策上，發揮了舉足輕重的作用。

余先生的處世哲學簡單而深刻：訂立切實可行的目標，並持之以恆地實踐。逆境並非不可逾越的障礙，反而是一個增進自我認識、剖析失敗原因並尋找解決之道的窗口。在商界與體育行政領域的長久歷練，讓他學會將每個困難視為反思與成長的機會。他的人生座右銘「活在當下」，正好反映這種積極、務實地應對逆境的態度。余先生勉勵學生與年輕一代要每天求進，主動承擔求學的責任，讓當下活得豐富充實。

余先生曾出任香港浸會大學（浸大）中國研究課程顧問，以及運動及健康科學系（前稱「體育學系」）顧問委員會主席，足見他一直以來與浸大的密切連繫。余先生亦為大學在體育運動課程的發展，提供寶貴意見，協助塑造浸大的運動教育方向，讓修讀相關課程的學生能夠在追求學業的同時，繼續在賽場實踐夢想。他特別認同浸大致力推行全人教育與跨學科教育的理念，深信運動教育對於個人品格發展是不可替代的。他樂見運動員重返校園接受持續教育，這對大學、運動員、體育界以至整個社會，均屬互惠共贏。

浸大充份肯定余先生作為體育行政領域的傑出領袖，在體育推廣和發展方面貢獻至巨，影響尤深。浸大欣然向余國樑先生這位讓浸大社群所有成員深受啟發的模範，頒授榮譽大學院士銜。

A CITATION FOR
HONORARY UNIVERSITY FELLOW
榮譽大學院士贊辭

Ms ZHOU Chunling
周春玲女士

Ms Zhou Chunling is an entrepreneur and community leader of exceptional calibre and virtue, driven by a clear vision and a strong sense of national identity. With remarkable grit and unflagging perseverance, she has built a successful international business, while actively contributing to China's development and fostering multinational trade and economic cooperation. Her life story is truly inspiring.

Ms Zhou's entrepreneurial journey was driven by her own industrious spirit and the opportunities unleashed during an era marked by transformation. In the 1990s, when she was still young, she seized the momentum of China's opening-up and development and ventured to Russia to start her own business. In a country where the language, culture, legal and social systems are completely foreign, she had no personal connections to rely on. Yet, through her tenacious efforts, she gradually established a foothold in natural resource production and commodity trading. Those years of braving the unknown on her own became her priceless asset, equipping her with the resilience and courage to face challenges and adversities with ease and composure. Today, as Director of HK Yongan International Investment Company Limited, she has led the company to resounding success in international timber trading and processing, maintaining a high market share in the Russian Far East timber market. At the same time, she has been committed to the promotion of environmental protection and conservation, thereby contributing to China's sustainable development.

Despite her remarkable business achievements, Ms Zhou has never forgotten her family roots in Heilongjiang Province and her dedication to the nation. She served as Member of the 12th and 13th National Committees of the Chinese People's Political Consultative Conference (CPPCC), and currently Member of the 14th CPPCC National Committee, contributing her expertise to support the nation's development. In 2018, she submitted a proposal calling for the establishment of a national-level cross-border economic cooperation zone between the city of Heihe in Heilongjiang Province and the city of Blagoveshchensk in Russia's Amur Oblast. This proposal was ultimately adopted into China's national strategic plan and led to the establishment of the China (Heilongjiang) Pilot Free Trade Zone. Drawing on nearly three decades of experience in investment and trade with Russia, she has also steadfastly supported the Belt and Road Initiative. In 2019, she played a key role in founding the Hong Kong-Russia Cultural Exchange Centre and has since served as its Secretary-General, facilitating collaborations between China and Russia in the cultural, social and economic spheres. Her sense of responsibility towards China and the Chinese people has ensured that her personal aspirations remain closely aligned with the needs of the nation.

Beyond her business endeavours, Ms Zhou has demonstrated a profound sense of social responsibility through public service, making significant contributions in education, medical services, environmental protection, rural revitalisation, and poverty alleviation. She has also served as Member of the 5th China Economic and Social Council, and as Vice-President of the Guangdong Overseas Friendship Association. She is currently Executive Chairman of Sunrise Hong Kong Foundation, Standing Vice Chairman of the Hong Kong Association for Promotion of Peaceful Reunification of China, Co-President of the Greater Bay Area Importers and Exporters Association, Honorary President of the Hong Kong Industrial & Commercial Association, and Advisory Committee Member of

the One Country Two Systems Research Institute, among numerous other positions. As a community leader with a strong sense of responsibility, she wholeheartedly supports the Government of the Hong Kong Special Administrative Region (HKSAR) and frequently offers insightful advice on public policies.

Ms Zhou graduated from Hong Kong Baptist University (HKBU) with a Master of Business Administration (MBA) degree in 2004, which marks the beginning of her deep and longstanding connection with the University. The HKBU education made a profound impact on her, not simply by empowering her with knowledge but also by enhancing her systematic thinking and multi-dimensional analytical skills. She especially appreciates her postgraduate programme's focus on integrating theory with practice, its combination of international topics and an understanding of the Chinese market, and its strong alumni network — all of which have proven to be invaluable to her career. In her view, universities today are particularly important to the development of a nation and society, as they are not merely repositories of knowledge, but also engines of innovation and cradles for future leaders — roles in which HKBU's distinctive whole-person education excels. She also holds HKBU's transdisciplinary research in high regard, particularly for its alignment with the National 15th Five-Year Plan, and its contributions to Hong Kong's development as an international innovation and technology hub through industry-academia-research collaboration. Ms Zhou has actively supported the development of her alma mater by actively engaging in alumni affairs. In 2004, she established the HKBU MBA (China) Alumni Association Shenzhen Chapter and served as its founding President. In 2025, she was appointed Adjunct Professor by HKBU's School of Business for her outstanding contributions and achievements in the business sector.

Throughout her career in business and public service, Ms Zhou has embodied a strong sense of responsibility and dedication. As an entrepreneur, she has channelled her business experience and networks into tangible outcomes for her homeland and the nation. As a CPPCC member, she has devoted herself untiringly to participating in state affairs and has put forward proposals that align with national strategies. Recognising her distinguished contributions, the Government of the HKSAR appointed her a Justice of the Peace in 2020 and honoured her with the Bronze Bauhinia Star in 2024.

Ms Zhou lives by the words of the renowned Chinese historical figure Zeng Guofan: "Prudence in solitude brings peace to the mind; reverence in conduct strengthens the body; pursuit of benevolence wins people's hearts; and practising diligence earns divine appreciation". In keeping with these principles, she treats people with kindness and thoughtfulness, and always strives to do what is right. She encourages the HKBU community and the younger generation to step out of their comfort zones and fulfil their aspirations, whether in the Guangdong-Hong Kong-Macao Greater Bay Area (GBA) or further afield in countries involved in the Belt and Road Initiative. Furthermore, she urges all to embrace lifelong learning, embrace changes, and seek self-enrichment in order to give back to society, the nation, and the world.

In recognition of her contributions to the development of China's foreign investment and trade, as well as the growth of the GBA, and her positive impact on society at large, HKBU is delighted to confer upon Ms Zhou Chunling an Honorary University Fellowship. As a respected alumna, Ms Zhou embodies social responsibility and patriotism with an ardent affection for the nation and Hong Kong. She will undoubtedly inspire generations to work together towards a brighter future.

周春玲女士是一位才德兼備、高瞻遠矚，並深具家國情懷的企業家和社會領袖。她憑藉非凡的毅力一手建立成功的國際性企業，同時積極推動國家發展，促進跨國經貿合作，譜寫出啟迪人心的人生故事。

周女士的奮鬥精神，以及變化頻繁時代所帶來的機遇，推動着她的創業歷程。上世紀 90 年代，年輕的她把握中國開放和發展的勢頭，遠赴俄羅斯創業。在一個語言、文化、法律和社會制度全然陌生的國度，她沒有人脈網絡的幫助，只靠着刻苦努力，在天然資源生產和商品貿易領域逐步站穩陣腳。那段獨自闖蕩的拓荒經歷，成為她的無價資產，賦予她從容應對各種挑戰與挫折的堅毅和勇氣。如今，她作為香港永安國際投資有限公司董事長，領導該公司的國際木材貿易與加工業務蓬勃發展，在俄羅斯遠東地區的木材市場維持龐大的市場份額。周女士同時落力推動環境保護和保育，為國家的可持續發展作出貢獻。

周女士事業成就斐然，卻從未忘記家鄉黑龍江省，以及熱心回饋祖國。她曾擔任中國人民政治協商會議第 12 及 13 屆全國政協委員，現為第 14 屆全國政協委員，以其專長為國家發展建言獻策。她於 2018 年提出建議，在黑龍江省黑河市與接壤的俄羅斯阿穆爾州布拉戈維申斯克市設立國家級跨境經濟合作區。該建議最終獲納入國家戰略規劃，並促成中國（黑龍江）自由貿易試驗區的成立。憑藉接近 30 年對俄投資和貿易的豐富經驗，她堅定支持「一帶一路」倡議，更促成香港俄羅斯文化交流中心於 2019 年創立並擔任秘書長，推動中俄在文化、社會及經貿等領域的合作。周女士對國家和人民的責任感，使她的個人抱負一直與國家需要緊密地交織在一起。

在商業範疇以外，周女士也展現出強烈的社會責任感，熱心參與公共服務，在教育、醫療、環境保護、鄉郊活化和扶貧等方面貢獻良多。她曾擔任第五屆中國經濟社會理事會理事及廣東海外聯誼會副會長，現時擔任的職務包括香港高昇基金執行主席、中國和平統一促進會香港總會常務副會長、大灣區進出口商業總會聯席會長、香港工商總會特邀榮譽會長，以及香港一國兩制研究中心顧問委員會成員。作為心懷強烈責任感的社會領袖，她全心全力支持香港特別行政區政府（香港特區政府）施政，並就公共政策提出寶貴意見。

周女士在 2004 年於香港浸會大學（浸大）修畢工商管理碩士（MBA）學位，自始與浸大締結深厚聯繫。浸大的教育對她影響深遠，不僅豐富了她的知識，更提升她的系統性思維和多維分析能力。她特別欣賞所修讀的碩士課程強調理論與實踐並重，結合國際課題與中國市場的理解，加上強大的校友網絡，讓她在事業上受用不淺。她認為現時大學對國家及社會發展的角色尤其重要，不僅是知識殿堂，更是驅動創新的引擎和培養未來棟樑的搖籃，而這正是注重「全人教育」的浸大的獨特優勢。她亦對浸大的跨學科研究推崇備至，能對接國家「十五五」規劃，通過產學研合作，為香港建設成國際創科中心作出貢獻。周女士一直以行動支持母校發展，積極參與校友事務。她於 2004 年創立香港浸會大學 MBA（中國）校友會深圳分會，並擔任創會會長。2025 年，周女士獲浸大工商管理學院頒授特邀教授名銜，表彰她在商業領域的卓越貢獻和成就。

無論在商界的事業發展乃至公共服務，周女士一直肩負重責，無私奉獻。作為企業家，她利用營商經驗與人脈網絡，為家鄉和國家發展創造實質成果；作為政協委員，她不辭勞苦參與國事，提出支持國家戰略的實質建議。香港特區政府為表揚周女士的出色貢獻，於 2020 年委任她為太平紳士，並於 2024 年向她頒授銅紫荊星章。

我國歷史名人曾國藩的名言「慎獨則心安，主敬則身強，求仁則人悅，習勞則神欽」是周女士的人生座右銘。她以仁愛之心關顧別人，堅定地持守正道。她勉勵浸大社群與年青一代，要走出舒適圈，無論是粵港澳大灣區，還是遠赴「一帶一路」國家，盡力施展抱負，同時也要終身學習，擁抱改變，充實自己以回饋社會、國家和世界。

周春玲女士致力於中國對外貿易和粵港澳大灣區發展，為整體社會發揮積極影響，浸大欣然向她頒授榮譽大學院士銜。作為備受敬重的浸大校友，周女士展現社會責任，弘揚愛國愛港精神，定能啟發新一代攜手共創更美好的未來。

A VOTE OF THANKS BY PROFESSOR EDWARD YAU TANG-WAH

邱騰華教授謝辭

Council Chairman Dr Kennedy Wong, President and Vice-Chancellor Professor Alexander Wai, Members of the University Council and Court, Distinguished Guests, University Colleagues, and Friends,

It is with deep gratitude that I stand here before you to receive the Honorary University Fellowship from Hong Kong Baptist University (HKBU). This recognition confers not just an extraordinary honour, but a profound bond and a shared responsibility.

It is a bond rooted in the common values this University upholds, and a responsibility to pass on the torch of learning and service, ensuring our shared faith resonates within both the University and the wider community.

On behalf of my fellow Honorary University Fellowship recipients, Mr Paulo Pong Kin-ye, Mr Ivan Wong Siu-kei, Mr Tony Yue Kwok-leung and Ms Zhou Chunling, I extend our heartfelt appreciation to the University and to everyone who has walked with us to make this journey possible.

In the Christian tradition upon which this institution was founded, "Fellowship" is far more than a title; it is a sacred community. It is a commitment to holding people, beliefs, and aspirations in common, driven by mutual ministry and a dedication to serving one another. Receiving this award from an institution so deeply anchored in these values holds a personal significance dear to me.

I am particularly humbled if this conferment recognises my years in public service. The truth is, that service was already well-rewarded by the taxpayers of Hong Kong, and my dream to serve within the system to make it better has been profoundly fulfilled.

While there will always be unaccomplished missions due to human limitations, public service itself gifted me with a lifetime of rewarding exposure as well as treasured learning.

When I speak of exposure and learning, I mean the extraordinary opportunity to represent Hong Kong throughout my career in bilateral and multilateral, regional and international forums — from Asia-Pacific Economic Cooperation (APEC) and the World Trade Organization (WTO) to Conference of the Parties (COP) and the United Nations. These experiences taught me that even without a traditional diplomatic corps, Hong Kong shines brilliantly on the world stage as a premier international city, a highly praised free trade advocate, our nation's conduit to the world, and a responsible partner in the global village.

We make our presence at the tables of international discussion, where we proudly demonstrate our willingness to join hands with global partners to advance cooperation in critical areas like trade liberalisation, climate change, and public health. This same international spirit defines this University, which takes rightful pride in its global connections and world-class research and leadership.

However, if this fellowship is meant to recognise my service outside of my professional payroll — particularly my work with the Hong Chi Association — then the true recognition belongs to my many co-workers and my lovely daughter.

Born with Down Syndrome, it was my daughter who re-educated me on what true "ability" means alongside what society commonly labels "disability". She drove me to champion inclusive education in the mid-1990s, fueled by the conviction that all children learn more deeply, live better, and build more empathetic lives when they learn together.

In that exact same vein, Hong Chi's team, parents, and children taught me that an NGO could be a pioneer in breaking new grounds and the driver of policy and programme changes for the betterment of our children.

As Hong Chi celebrates its momentous 60th anniversary, I reflect on this milestone

with deep emotion — not just as the Chairman, but as a fellow parent. Today, a dedicated team of 2,800 staff operates 106 service units, including 14 special schools, serving more than 9,800 individuals with intellectual disabilities and their families daily. We support them from infancy through adulthood, covering education, vocational training, life support, and holistic career development.

True inclusion, however, requires more stages to be set and more bridges to be built. In the past three years, we have expanded these horizons through our Academy of Arts and Sports, unlocking our children's unique talents and opening doors to prestigious new platforms.

Whether it is their artwork being displayed through the esteemed Art Basel and Christie's — and hopefully soon, at our West Kowloon Cultural District — or our athletes competing in the Paralympics and international marathons, we open new doors for the community to witness the extraordinary strengths of people who might otherwise be overlooked.

Building this platform requires visionary partners, and HKBU has offered us the widest, most compassionate support imaginable. In the last two years alone, four out of seven faculties and 14 distinct projects have collaborated with us, bringing hundreds of university students and Hong Chi children into the world for mutual learning and lifelong friendship.

Our recent renewal of our Memorandum of Understanding for another five years ensures that this common path will widen, bringing even greater opportunities for the co-creation of research and community collaboration.

This is the ultimate demonstration of "town and gown" synergy — built on the faith that learning overcomes differences.

As William Butler Yeats famously noted, "Education is not the filling of a pail, but the lighting of a fire". And perhaps, it is the lighting of a torch, the torch of mutual learning demonstrating that education need not be confined to the classroom. Service-learning opens a gateway for knowledge application, builds character, and instills a lifelong passion for social cohesion.

For NGOs, it is time to carry that torch onwards too. Our ultimate victory lies not in the multiplication of service units or institutions, but in enabling our children to study, work, and live openly and freely in society.

Arts and sports are the perfect conduits for this integration, and we must be the drivers of that change. This is the exact vision that Hong Chi and this University share.

True innovation is built on the courage to try, to fail, and to refine. By bringing together parents, NGOs, research academics, and student service-learners, we stand a far better chance of driving a more inclusive society forward.

The diverse accomplishments of my fellow recipients today bear testimony to Hong Kong's exceptional resilience as a unique place of possibilities in both good times and tough times. Together, we join hands to make our city, our nation, and our global village a better place. The ultimate linchpin connecting us all today is the bond we share with the HKBU family — a fellowship we treasure deeply and intend to pay forward.

Once again, our deepest gratitude to the University for your trust and your enduring faith. May we continue to break new ground, spread love, and carry these blessings far beyond the boundaries of this campus, the city of Hong Kong, and beyond.

Thank you very much.

校董會主席黃英豪博士、校長衛炳江教授、各位校董會及諮議會成員、嘉賓、大學教職員、朋友：

我極之感恩能夠在各位見證下，接受香港浸會大學（浸大）頒授榮譽大學院士銜。這份肯定不僅賦予我莫大的榮耀，更象徵着一份深厚的連結和共同承擔的責任。

這份連結植根於浸大一直秉持的共同價值；而責任則是要把學習與服務薪火相傳，確保我們的共同信念得到大學社群以至廣大社會的認同。

我謹代表各位榮譽大學院士，包括龐建貽先生、王紹基先生、余國樑先生，以及周春玲女士，向大學以及一路與我們同行、成就這段旅程的每一位，致以衷心感謝。

在浸大成立伊始所秉持的基督教傳統中，「Fellowship」一詞的意思不僅是一個名銜，更意指一個神聖的群體。這個群體建基於同心投入牧職和彼此事奉，是把持守共同信仰和抱負的人連繫在一起的力量。這些價值深深扎根於浸大，能夠獲浸大頒授殊榮，於我而言別具意義。

假如這份榮譽是對多年來從事公共服務的肯定，我衷心致謝並虛心領受。事實上，能夠實現在政府體制內服務並令它更臻完善的夢想，同時服務期間獲得香港納稅人的支持，對我而言已是十分珍貴的回報。

雖然人因為能力所限而總會有未能完成的使命，但從事公共服務已給予我終生受用的歷練和寶貴的學習經驗。

所謂歷練與學習，是指我在職業生涯中，有機會代表香港參與雙邊與多邊、地區與國際層面的論壇，如亞太區經濟合作組織、世界貿易組織，以至聯合國締約方會議和聯合國等大會。這些彌足珍貴的經驗，讓我明白即使沒有傳統意義上的外交使團，香港作為首屈一指的國際城市、備受推崇的自由貿易倡議者、國家連接世界的橋樑，以及地球村中負責任的夥伴，仍能在世界舞台上綻放光芒。

我們積極參與國際對話，展示我們願意與全球夥伴在推動貿易自由化、氣候變化和公共衛生等關鍵領域攜手合作。浸大同樣展現出這種立足國際的精神，憑藉其全球連繫、世界級研究與領導地位傲視同儕。

然而，倘若這個院士榮銜是對我在專業服務以外，尤其是在匡智會的工作的肯定，那麼真正值得嘉許的，應該是我眾多的同工，以及我親愛的女兒。

我的女兒天生患有唐氏綜合症，正是她令我重新學習到何謂真正的「能力」，並反思社會對「殘疾」的標籤。她驅使我在 90 年代中期開始投入融合教育的倡議，因為我深信當孩子們一同學習，便能夠學習得更深入、活得更好，並培養出更具同理心的生命。

同樣地，匡智會的團隊、家長和孩子讓我明白到，一個非政府組織可以成為開拓新領域的先行者，也可以推動政策和服務的改革，讓我們的孩子受益。

在匡智會成立 60 年之際，我不單只作為主席，亦以家長的身份反思這個里程碑，令我感受至深。今天，匡智會由 2,800 名員工組成的專業團隊，營運 106 個服務單位，當中包括 14 間特殊學校，每日服務超過 9,800 名智障人士及其家庭。我們從嬰幼兒到成

年階段一直與他們同行，涵蓋教育、職業訓練、生活支援，以及全方位職涯發展。

然而，要達至真正共融，需要築起更多舞台，建設更多橋樑。過去三年，匡智體藝學院把這份視野發揚光大，讓孩子們的独特才華得以釋放，也開啟了通往卓越新平台的大門。

不論是孩子們的藝術作品先後在享負盛名的巴塞爾藝術展和佳士得拍賣行，或不久將來能夠在西九文化區展出；還是我們的運動員曾參與殘疾人奧運會及國際馬拉松比賽，我們都開啟新的大門，讓社會目睹這群或許被忽略的人所展現出的不凡力量。

要建立這樣的平台，需要高瞻遠矚的合作夥伴，而浸大給予了我們最廣泛、最熱心的支持。單在過去兩年，浸大七個學院中的其中四個，已經與我們合作，合辦了 14 個不同項目，讓數以百計的大學生與匡智會的學員相互學習，建立終身友誼。

我們最近續簽了為期五年的合作備忘錄，令這條同行之路得以繼續擴展，為共創研究和社區協作帶來更大機遇。

這正是「城市與學術協作」的終極體現，而在背後支持的，是學習能夠超越差異這份信念。

正如愛爾蘭詩人葉慈的名言：「教育不是灌滿一桶水，而是燃點一團火。」也許，教育點燃的是一支火炬，一支彰顯相互學習，並提醒我們教育不必局限於課堂的火炬。服務學習開通了知識應用之路，塑造品格，並激發追求凝聚社會的終身熱忱。

現在也是非政府組織傳承這支火炬的時候了。我們最終的成就，不在於服務單位或機構數目增加多少，而在於讓我們的孩子能夠在社會中開放而自由地學習、工作和生活。

藝術和體育是促進這種融合的最佳途徑，而我們必須成為改變的推動者。這正是匡智會與浸大共同擁抱的願景。

真正的創新，是建基在敢於嘗試和失敗，並不斷完善的勇氣。只要家長、非政府組織、研究學者和參與服務學習的學生攜手，我們便有更大機會推動社會邁向共融的未來。

今天各位大學院士在各方面成就卓越，足證香港是一個極具韌性的城市，無論環境順逆，都能成就無限可能。我們攜手同行，讓我們的城市、國家，以至地球村更臻美善。今天把我們緊密聯繫在一起的，是我們與浸大這個大家庭的深厚情誼，一份我們珍而重之、並願意傳承下去的情誼。

再次衷心感謝浸大對我們的信任，以及矢志不移的信念。願我們繼續開拓創新，傳揚愛心，並把這些祝福帶到校園和香港以外，乃至更遙遠的地方。

謝謝各位。

AN ADDRESS BY PROFESSOR PING-KONG ALEXANDER WAI PRESIDENT AND VICE-CHANCELLOR

校長衛炳江教授講辭

Council and Court Chairman Dr Kennedy Wong, Honorary University Fellows, Distinguished Guests, Ladies and Gentlemen,

On behalf of Hong Kong Baptist University (HKBU), welcome to our 2026 Honorary University Fellowship Conferment Ceremony. This year, as HKBU marks its 70th anniversary, it is especially meaningful to celebrate the achievements of a remarkable group of individuals who have left an enduring mark on their respective professions and on society as a whole.

I would like to extend my heartfelt congratulations to our Honorary University Fellows: Mr Paulo Pong Kin-ye, Mr Ivan Wong Siu-kei, Professor Edward Yau Tang-wah, Mr Tony Yue Kwok-leung and Ms Zhou Chunling.

While their fields and professions vary, our Honorary University Fellows share one common attribute. They have all left an enduring mark in their respective fields — spanning public service, business, sports, the arts or community advocacy. Their diverse accomplishments speak of their commitment to excellence, integrity, and perseverance to stay undaunted in face of challenges.

Beyond their professional achievements, our Honorary University Fellows have gone the extra mile to uplift others, from nurturing students and aspiring athletes, to giving individuals with special needs and their caregivers the support and respect to lead a good life. Having overcome their own share of obstacles, our Honorary University Fellows have been generous in sharing their experience, helping others learn and forge their own paths of success. They did not stop at simply improving lives; they also poured their selfless spirit into transforming entire systems and uplifting the broader community. In their roles as mentors, advocates, and changemakers, they have strengthened institutions, elevated professional practice, promoted inclusivity, and inspired younger generations to follow their heart and find their calling in life.

The University has also faced its share of challenges to arrive at where we are today. The year 2026 marks HKBU's 70th Anniversary, an important milestone only made possible through the contribution of each and every member of the HKBU community. I would like to echo what Professor Yau so eloquently highlighted about his work with Hong Chi Association in his Vote of Thanks, that the credit always belongs to the team. The HKBU community has also consistently delivered with purpose while upholding the University motto, "Faith and Perseverance". Every effort matters, and if we are to go far, we must continue to go together. Allow me to take this opportunity to also thank everyone at the University for your exceptional contribution in helping HKBU advance even further.

Our new Honorary University Fellows have no doubt come far in their respective journeys, showing us that behind every success story is a conviction powerful enough to turn obstacles into opportunities, doubt into determination, and vision into impact. Their character's strength and resilience to create meaningful change mirror the aspirations of HKBU, and remind us that education is not measured by achievement alone, but by the passion we sustain, the purpose we serve, and the perseverance we carry towards our goals.

Congratulations once again to our Honorary University Fellows! With "Faith and Perseverance", I am confident that we will live up to our mission to inspire, lead and help shape a brighter future for our next generations in Hong Kong, the nation, and the world.

Thank you.

校董會暨諮議會主席黃英豪博士、各位榮譽大學院士、各位嘉賓：

我謹代表香港浸會大學（浸大），歡迎各位蒞臨 2026 年榮譽大學院士頒授典禮。今年適逢浸大創校 70 周年，我們難得在此聚首，一同見證在各自專業領域卓有建樹、惠澤社群的傑出人士獲得表彰，實在別具意義。

在此，我衷心恭賀本年度的榮譽大學院士，包括：龐建貽先生、王紹基先生、邱騰華教授、余國樑先生及周春玲女士。

這幾位榮譽大學院士的背景和專業雖各有不同，卻擁有一個共通之處：無論是在公共服務、商界、體育、文化藝術還是社會服務上，他們皆貢獻卓著、影響深遠。這些成就不僅印證他們對卓越與誠信的不懈追求，更展現出在逆境中百折不撓的精神。

除了非凡的專業成就，各位榮譽大學院士更不遺餘力地扶掖他人——從培育莘莘學子與體壇新秀，到為有特殊需要人士及其照顧者提供支援，讓他們活出尊嚴與美好人生。幾位院士歷經淬鍊、克服重重障礙後，慷慨分享其寶貴經驗，指引他人開創屬於自己的成功之路。他們不只着眼於改善大眾的福祉，更以無私的精神推動制度的改變，造福廣大社群。身為導師、倡議者與改變的推動者，他們優化制度建設、提升專業水平、倡議多元共融，並啟發年輕一代勇於追隨內心，尋覓人生使命。

浸大在數十載風雨中砥礪前行，方有今日的成就。2026 年是浸大 70 周年的重要里程碑，這一切有賴浸大社群每一位成員的用心付出。正如邱教授在致謝辭中，談及他在匡智會的工作時，強調團隊功不可沒，我對此深有同感。浸大同仁一向秉持「篤信力行」的校訓，始終如一地實踐大學使命。每一分努力皆至關重要，若大學要行穩致遠，我們必須上下一心。謹此向所有同事與夥伴致以衷心感謝，一起帶領浸大不斷邁步向前，再創高峰。

新任榮譽大學院士在各自的人生旅程中成就非凡，也向我們證明：在每一個成功故事背後，都需要一股強大的信念，讓難關可以變成機遇，疑慮可以化為決心，願景更可以化為實實在在的影響。他們這份堅韌的精神，正與浸大的抱負不謀而合。它也提醒了我們，教育的價值不只以成就衡量，更要看我們的熱忱、使命感，以及鍥而不捨的毅力。

最後，再次恭喜各位榮譽大學院士！秉承「篤信力行」的精神，我深信浸大將繼續啟迪智慧、引領群倫，並為香港、國家以至世界的新一代，開創更燦爛的未來。

謝謝各位。
